POLICIES

2.1. Clearance and Sensitive Position Standard. The personnel security standard that must be applied to determine whether a person is eligible for access to classified information or assignment to sensitive duties is whether, based on all available information, the person's loyalty, reliability, and trustworthiness are such that entrusting the person with classified information or assigning the person to sensitive duties is clearly consistent with the interest of national security.

2.2. Military Service Standard. See AFD 36-29, *Military Standards* and AFD 36-20, *Accession of Air Force Military Personnel*. It provides policies to ensure the Air Force employs the right quantity and quality of people in the Air Force.

2.3. Criteria for Application of Security Standards. The criteria for determining eligibility for a security clearance are listed in DOD 5200.2-R, para 2-200. Commanders apply the criteria for security standards when granting access to classified information.

2.4. Types and Scope of Personnel Security Investigations. The scope of each type of personnel security investigation is listed in DoD 5200.2-R, Appendix B. See [Attachment 2](#) for procedures on requesting personnel security investigations (PSI). See [Attachment 3](#) for guidance on the types of required personnel security investigations and appropriate questionnaire forms and or Electronic Personnel Security Questionnaire (EPSQ) Software.

2.4.1. General. The investigations listed in DoD Regulation 5200.2R and this instruction are the only PSIs authorized. The Secretary of the Air Force and/or the Under Secretary of Defense, Intelligence must approve raising or lowering the scope of the authorized investigation.

2.4.2. Entrance National Agency Check (ENTNAC). ENTNACS were replaced by the NACLC on 1 Oct 99 for military accessions.

2.4.3. National Agency Check (NAC). NACs are primarily used for positions of trust.

2.4.3.1. **(Added-HILLAFB)** Hill Air Force Base (HAFB) contractor personnel requiring IT-III level access to a government computer will need at least a National Agency Check plus Written Inquiries and Credit Checks (NACI) or higher investigation.

2.4.4. National Agency Check Plus Written Inquiries and Credit Check (NACIC). NACICs are conducted by OPM and are required on all civilian employees entering government employment and assigned to nonsensitive positions.

2.4.5. Access National Agency Check with Written Inquiries and Credit Check (ANACI). ANACIs are conducted by OPM and are required for civilian employees' initial Secret security clearance or assignment to noncritical sensitive positions.

2.4.6. National Agency Check, Local Agency Checks and Credit Check (NACLC). NACLCs are required for military access to Secret information.

2.4.7. Single Scope Background Investigation (SSBI). SSBIs are required for access to TOP SECRET, Sensitive Compartmented Information (SCI), special sensitive positions and for critical sensitive positions.

2.4.7.1. **(Added-HILLAFB)** Unit security manager's (SMs) will ensure Attachment 22, *Instruction for Identifying Personnel Security Investigation Requirements for Air Force Positions*, of Air Force Instruction (AFI) 31-501, *Personnel Security Program Management*, is utilized for justification when submitting a Single Scope Background Investigation (SSBI) investigation to the Office of Personnel Management (OPM).

2.4.8. Periodic Reinvestigation (PR). PRs are investigations conducted at prescribed intervals for the purpose of updating a previously completed background investigation.

2.4.9. Special Investigative Inquiry (SII). SIIs are used to prove or disprove allegations or new information concerning the security standards that arise after a person has been granted a security clearance.

2.5. Authorized Personnel Security Investigation Provider. The Office of Personnel Management (OPM) is the DoD Authorized Personnel Security Investigation Provider.

2.6. Allegations of Criminal Activity. Commanders refer possible criminal conduct to the supporting Air Force Office of Special Investigations (AFOSI) detachment.

2.7. Overseas Personnel Security Investigations. AFOSI personnel conduct the overseas portion of personnel security investigations, augmented by Army, Navy, and State Department counterparts.

2.8. Limitations and Restrictions. A break in service of over 24 months invalidates an individual's personnel security clearance eligibility.

2.8.1. **(Added-HILLAFB)** Any individual having a break in service between agencies greater than 24 months will be required to complete initial investigation paperwork, Standard Form (SF) 86, *Questionnaire for National Security Positions*, or SF 85, *Questionnaire for Non-Sensitive Positions*, with the gaining civilian personnel flight.

Chapter 3

SECURITY CLEARANCE

3.1. Authority to Designate Sensitive Positions. Commanders with position designation authority determine the security sensitivity of civilian positions. Each civilian employee is subject to an investigation depending on the sensitivity of the position to be occupied, except for reappointment when the break in employment is less than 24 months.

3.2. Nonsensitive Positions.

3.2.1. The servicing civilian personnel flight (CPF) processes the initial request for NACIC's to OPM for civilians occupying non-sensitive positions, not requiring access to classified information. OPM forwards the investigation to the CAF. Suitability determinations for civilian government employment are made accordingly:

3.2.2. The CAF forwards the completed investigation, OPM "Certificate of Investigation" and the OPM INV Form 79A, Report of Agency Adjudicative Action on OPM Personnel Investigations to the base servicing CPF.

3.2.3. The CPF:

3.2.3.1. Determines if the individual is deemed suitable for employment IAW 5 CFR 731.201-202. Coordination and or consultation with the supervisor and or commander may be made.

3.2.3.2. If employee is determined suitable, CPF signs off on the OPM Certificate of Investigation and the form is filed in the individual's Official Personnel Folder (OPF) IAW AFI 36.114, *Guide to Personnel Recordkeeping*.

3.2.3.3. If applicant is determined unsuitable, CPF fills out the OPM INV Form 79A, Report of Agency Adjudicative Action on OPM Personnel Investigations and coordinates with the employee's supervisor and or commander. CPF forwards the OPM INV Form 79A to OPM.

3.3. Reassignment to a Noncritical Sensitive Position. If a civilian employee is subsequently selected for a position requiring access to classified information and unescorted entry into restricted areas (noncritical sensitive), security managers process the completed SF 86, **Questionnaire for National Security Positions**, to security forces authorized requesters.

3.3.1. Security Forces Authorized Requesters:

3.3.1.1. Submit the SF 86 to OPM for an "Access NACI". The address is: OPM-FIPC PO Box 618, 1137 Branchton Road, Boyers, PA, 16018. OPM does not have the EPSQ, therefore requests must be sent in hard copy. Use the EPSQ at the unit, validate the EPSQ, and print the SF 86 for mailing. Contact the servicing CPF for any questions concerning Part 1 of the SF 86 or the OPM Agency Use Information Sheet. A fingerprint card is not required as the individual has already been the subject of a NACI or NACIC.

3.4. Reassignment to a Critical Sensitive Position. If, in the future, the individual is selected for a critical sensitive position, security managers process the request for investigation to the

security forces authorized requester who will submit an SF 86 requesting a SSBI in accordance with [Attachment 2](#).

3.5. PRs for Critical Sensitive and Noncritical Sensitive Positions. The periodic reinvestigation requirements apply to civilian employees in noncritical sensitive positions that require access to classified information. The reinvestigation requirements apply to civilian employees in critical sensitive positions whether or not they have access to classified information. See [Attachment 3](#).

3.6. Pre-employment Waivers.

3.6.1. Sensitive Positions. Commanders must ensure procedures for pre-appointment to sensitive positions preclude an uncleared person from having access to classified information.

3.6.2. Noncritical Sensitive and Critical Sensitive Positions (3-204). The commander or staff agency chief (or designee) with position sensitivity determination authority prepares a waiver of pre-employment investigation requirements when such action is necessary and in the national interest. See [Attachment 6](#) for sample waiver memorandum. The memorandum is filed in the individual's OPF IAW AFI 36-114, *Guide to Personnel Recordkeeping*.

3.7. Mobilization of DOD Civilian Retirees. MAJCOM commanders can waive the investigative requirements for the mobilization of selected re-employed annuitants for temporary appointment when the break in employment is greater than 24 months.

3.8. Military Appointment, Enlistment, and Induction. Personnel appointed, enlisted, or inducted to the active or reserve forces of the Air Force must have a favorable personnel security investigation. See [Attachment 3](#).

3.8.1. Clearance requirements for officer training school selectees are outlined in Air Force Instruction (AFI) 36-2005, *Appointment in Commissioned Grades and Designation and Assignment in Professional Categories*.

3.9. Mobilization of Military Retirees. MAJCOM commanders can waive the requirement for a full NACLIC for the mobilization of military retirees upon reentry to active duty after a break of more than 24 months.

3.10. Security Clearance Authority. The 497 Intelligence Group/INS, Directorate of Security and Communications Management, the Air Force Central Adjudication Facility, is the designated authority to grant, suspend, deny, or revoke personnel security clearances and SCI access (see [Chapter 11](#)).

3.10.1. The CAF issues security clearance eligibility to the highest level authorized based on the type of investigation conducted. Unit commanders grant clearance access based on the level of the position occupied by the individual. The access level required should be annotated on the request for investigation.

3.10.2. The SAF Special Access Program (SAP) Central Adjudication Office, Wright-Patterson AFB Ohio is the designated authority to grant, suspend, deny, revoke, or limit SAF access. (See AFI 16-701, *Special Access Programs*).

3.10.3. Commanders control security clearances within their activity. See para [7.1.2](#)

3.10.4. See [Chapter 7](#) for granting of access to classified information.

3.11. Interim Security Clearances. Commanders may grant interim security clearances for access to Top Secret and Secret information when the requirements of DoD 5200.2-R, paragraph 3.401 have been met. Use of local information and the following requirements provide Commanders with the necessary tools to exercise their authority to grant interim security clearances. Also see **Attachment 25, Table A25.1** for guidance on the authority level to grant interim security clearance/access to specific programs.

3.11. (HILLAFB) Unit commanders will document in a memorandum that all requirements of AFI 31-501, paragraph 3.11. through 3.11.6.2. have been met prior to unit SM inputting interim top secret/secret clearances into the Joint Personnel Adjudication System (JPAS).

3.11.1. Interim Top Secret security clearances:

3.11.1.1. Favorable ENTNAC, NAC, NACI, NACIC, NACLC, or ANACI completed.

3.11.1.2. Consult the Joint Personnel Adjudication System (JPAS) to determine the existence of a favorable ENTNAC, NAC, NACI, NACIC, NACLC, or ANACI. The investigation is acceptable if there is no break in service over two years.

3.11.1.3. Favorable review of personnel security questionnaire.

3.11.1.4. Favorable review of local personnel records, base and or security force records, medical records, and other security records, as appropriate.

3.11.1.5. SSBI package has been submitted by an Authorized Requester to the investigative agency provider.

3.11.2. Commanders can grant interim Top Secret security clearance if the above provisions have been met.

3.11.2.1. Favorable review of EPSQ or SF 86.

3.11.2.2. Favorable review of local personnel records, base/security force records, medical records, and other security records as appropriate.

3.11.2.3. Confirmation of a previous secret security clearance for newly hired civilian employees who have held a secret security clearance as a former military member (without a break in service of 24 months) or who hold a secret security clearance either as an Air Reserve Technician or as a traditional reservist.

3.11.2.4. Confirmed receipt of NACLC request at DSS by DSS EPSQ Receipt System. Confirmed receipt of ANACI request at OPM through the supporting CPF.

3.11.2.5. **(Added-HILLAFB)** Unit SMs must ensure all individuals who have access to classified information at the Top Secret (TS) level receive the required oral attestation. Attestation is accomplished by using the SF 312, *Nondisclosure Agreement* (NdA). Unit SMs must ensure attestation date is input into JPAS before access is granted to classified information.

3.11.3. If there is no record of a completed investigation (NAC portion) in JPAS, contact Air Force Central Adjudication Facility (AFCAF) Customer Support through JPAS to determine if there is a favorable NAC. (Note Optional: Authorized requesters can request "Advanced NAC Results" from OPM on the OPM Agency Use Sheet.)

3.11.4. Interim Secret security clearances:

3.11.4.1. Favorable review of personnel security questionnaire.

3.11.4.2. Favorable review of local personnel records, base and or security forces records, medical records, and other security records, as appropriate.

3.11.4.3. NACLC or ANACI has been submitted by an Authorized Requester to an investigative agency provider.

3.11.5. Interim security clearances must be documented in JPAS or in writing if JPAS is unavailable, until the final security clearance eligibility is granted by the AFCAF.

3.11.6. For Civilians:

3.11.6.1. Consult JPAS on a newly hired civilian for a previous security clearance/personnel security investigation to determine if a previous security clearance was held as a former military member (without a break in service of two years) or if a security clearance as either an Air Reserve Technician or as a traditional reservist was held.

3.11.6.2. Pending completion of ANACIs or SSBI, as appropriate, civilians may occupy non-critical sensitive or critical sensitive positions. Commanders prepare a waiver of pre-employment investigation requirements when such action is necessary and in the national interest. Interim security clearance may not be granted until after the commander signs the waiver memorandum.

3.11.7. JPAS is the source for determining investigative status on pending investigations. Also see para [7.9](#)

3.12. Access to Classified Information by Non-US Citizens.

3.12.1. Initial Limited Access Authorization (LAA). The MAJCOM/SF approves the request for a personnel security investigation for the purpose of LAA. Approvals are returned to the requester and an information copy is provided to the CAF. Authorized requesters initiate the personnel security action and submit a SSBI to DSS. A favorable SSBI is a prerequisite for LAA. The CAF will adjudicate the SSBI, issue the LAA authorization to MAJCOM/SF, and enter the information in the Adjudication Management System (AMS). MAJCOM/SF forwards the authorization to the requester. The requester grants the LAA. Requirements governing nondisclosure agreement form and a security termination statement apply to LAAs.

3.12.1. (AFMC) Servicing ISPM coordinates with the local Foreign Disclosure Officer and submits Limited Access Authorization (LAA) requests for a personnel security investigation to HQ AFMC/A7SXI for approval.

3.12.2. Annual Certification. MAJCOM/SF provides an annual report to the CAF by 1 Nov of each year certifying the continued need for the command's LAAs. The CAF provides a consolidated report to HQ USAF/XOFI by 25 Nov each year. HQ USAF/XOFI approves the report and forwards to OASD (C3I) by 1 Dec of each year.

3.13. Access by Persons Outside the Executive Branch. Refer to AFI 31401, *Information Security Program Management*, for granting access to persons outside the Executive Branch.

3.13.1. Authorized requesters submit the appropriate investigation according to [Attachment 2](#) based on the level of access required.

3.13.1.1. Annotate the request, ~~Request for investigation is required IAW DOD 5200.1-R, paragraph 6-201, Access to Person Outside the Executive Branch.~~

3.13.1.2. The CAF does the adjudication and enters the results in the AMS.

3.14. Access by Different Categories of Individuals.

3.14.1. Voluntary Emeritus Corps and Intergovernmental Personnel Act (IPA).

3.14.1.1. There is an affiliation with the Government by virtue of the signing of an agreement. As a general rule, these individuals will not have access to classified information. In certain instances, the commander may approve access to classified information.

3.14.1.2. Access will be justified and must provide a specific benefit or gain to the Government.

3.14.1.3. The access will be commensurate with the level the person held prior to retirement/separation or the level currently held by IPA personnel under the National Industrial Security Program. Offices should accept and maintain visit authorization requests submitted by the sponsoring cleared facility as evidence of an IPA participant's current clearance.

3.14.1.4. Access will be kept to the absolute minimum for the work being performed and limited to a specific time period.

3.14.1.5. The agreement between the individual and the organization will include a security clause.

3.14.1.6. The individual will sign an SF 312, **Classified Information Nondisclosure Agreement (NdA)** and be briefed or re-briefed on security requirements (individuals need not sign another SF 312 if verification can be made that an NdA was previously signed).

3.14.1.7. Physical custody of classified information is not authorized.

3.14.1.8. The CAF will certify the individual's security clearance. If a break in service exceeds 24 months, the requesting organization must initiate a request for the appropriate investigation.

3.14.1.9. The CAF will provide an AF Form 2584, **Record of Personnel Security Investigation and Clearance** to the requesting organization if required due to lack of automation capabilities.

3.14.2. Consultants. A consultant, paid or unpaid, will only require access to classified information at an Air Force activity or in connection with authorized visits and is not required to be cleared under the National Industrial Security Program. The consultant is considered to be an Air Force employee and will be issued a clearance, adjudicated by the CAF, in accordance with this AFI.

3.14.2.1. **(Added-AFMC)** Commanders will ensure that consultants working for their organizations who require access to classified information prepare and submit the appropriate security clearance application to the unit security manager for validation and

submission to the base authorized requester. The security manager will track and monitor the consultant's security clearance until final security clearance is granted.

3.14.3. Individual Ready Reserve (IRR). The IRR is a manpower pool of pre-trained individuals who have already served in active component units or in the Selected Reserve and have some part of their Military Service Obligation remaining. Refer to DOD 1215.15-H, *Reserve Components of the U.S. Armed Forces*.

3.14.3.1. As a general rule, these individuals will not have access to classified information. In certain instances, the commander may approve access to classified information.

3.14.3.2. Access will be justified and must provide a specific benefit to the Air Force.

3.14.3.3. Access will be commensurate with the level the person held prior to transfer to the IRR, kept to the absolute minimum for the work being performed, and limited to a specific time.

3.14.3.4. An agreement between the individual and the organization is required and will include a security clause.

3.14.3.5. The individual will sign an SF 312, **NdA**, and be briefed or re-briefed on security requirements (individuals need not sign another SF 312 if verification can be made that one was previously signed).

3.15. One Time Access. A general court martial convening authority or equivalent Senior Executive Service member, MAJCOM commander, wing commander, or civilian equivalent may approve access to classified information at a higher level than authorized by the existing security clearance during contingencies, or when an urgent operational or contractual exigency exists. This authority can be used when the conditions of DOD 5200.2-R, para 3-406 are met. This does not apply to SCI access (see para **3.18** below), COMSEC, NATO, or foreign government information. The approving authority's authorization for the access is maintained on file with the servicing security manager and or servicing security activity until the access is no longer needed.

3.15.1. (**Added-AFMC**) Commanders will document one-time access on AF IMT 2583, *Request for Personnel Security Action* and execute SF 312, *Classified Information Non-Disclosure Agreement*. Unit security managers will maintain a copy of the AF IMT 2583 for one year from the date of access and process the SF 312 in accordance with AFI 31-401, *Information Security Program Management* as supplemented.

3.16. Processing Requests for Access by Retired General Officers or Civilian Equivalents. An active duty general officer, or Senior Executive Service (SES) member may grant access to a retired general officer, or SES member for a period of 180 days when conditions of DOD 5200.2-R are met. Coordination with servicing security activity is necessary. The access is recorded in the CAVS. A request for a security investigation is not necessary. See AFI 31-401 for guidance on retention of the form. If it is confirmed an SF 312 was signed, it is not necessary for a duplicate signature.

3.17. Processing Requests for Access by Historical Researchers. Refer to AFI 31-401 for guidance in granting of access to researchers.

3.17.1. Authorized requesters request a NAC according to **Attachment 2**. Identify the request as "Special Category Historical Researcher" in remarks.

3.17.2. The CAF will forward the completed investigation to the Air Force Historian.

3.17.3. The United States Air Force History Support Office (AFHSO/HO), 200 McChord, Box 94, Bolling AFB DC 20332, will make the access determination.

3.18. Sensitive Compartmented Information. The Director of Intelligence Surveillance and Reconnaissance (HQ USAF/XOI), 1480 Air Force Pentagon, Washington DC 20330-1480, controls access to SCI within the Air Force. Routine prescreening for SCI access is no longer required. Refer to AFMAN 14-304, *The Security, Use, and Dissemination of Sensitive Compartmented Information (SCI)*, for specific guidance on conducting SCI prescreening interviews, requesting investigations, granting access, and waiver information.

3.18.1. The 319th Training Squadron (319 TRS/TPCSS), 1550 Wurtsmith Street, Suite 7, Lackland AFB TX 78236-5242, conducts interviews pertaining to individuals identified for SCI positions during basic military training. They also conduct interviews of individuals requiring Top Secret for Air Force specialty code retention and critical personnel reliability program certification.

3.18.2. A single agency check (SAC) is required on the following categories of individuals associated with the subject of an SSBI (a) spouse or cohabitant, (b) immediate family members, 18 years old or older, who were born outside the United States. If marriage or cohabitation occurs after completion of the SSBI, submit Spouse SAC via EPSQ to DSS. Keep one copy for the authorized requester's suspense file.

3.19. Single Integrated Operational Plan-Extremely Sensitive Information. See AFI 10-1102, *Single Integrated Operational Plan-Extremely Sensitive Information (SIOP-ESI)*.

3.20. Presidential Support Activities. The following guidance supplements DOD Directive 5210.55, Department of Defense PSP and DOD Instruction 5210.87, Selection of DOD Military and Civilian Personnel and Contractor Employees for Assignment to Presidential Support Activities (PSAs). The PSP includes personnel assigned duties involving regular or frequent contact with or access to the President or Presidential facilities, communications activities, or modes of transportation.

3.20.1. The Office of the Administrative Assistant, Director for Security and Investigative Programs (SAF/AAZ) is the single office designated to develop policy and represent the Air Force on matters covered by the DOD Presidential Support Directive and Instruction.

3.20.2. HQ USAF/XOFI implements policy for the PSP.

3.20.3. The CAF:

3.20.3.1. Manages adjudicative functions as required by the PSP.

3.20.3.2. Accomplishes requisite cover letters and coordination with support units on behalf of SAF/AAZ.

3.20.3.3. Forwards nomination packages, regardless of adjudicative outcome to SAF/AAZ.

3.20.3.4. Submits the "Information Requirements" report on a quarterly basis to SAF/AAZ for approval and forwards approved report to the Executive Secretary. Copies of the approved report are provided to HQ USAF/XOFI, the servicing security activity, and contracting officers for distribution.

3.20.3.5. Maintains historical files.

3.20.4. SAF/AAZ advises commanders or company representatives when nominees have been selected or nonselected by SAF/AAZ or the Executive Secretary. SAF/AAZ enters selection status information in the AMS.

3.20.5. Appeals. Any DOD civilian or contractor employee not selected for, or removed from, presidential support duties shall be afforded an opportunity to appeal this decision as provided in DODD 5210.55 and DODI 5210.87. The governing directives do not provide appeal rights for military members, however, when exceptional mitigating circumstances exist, or derogatory information is reported in error, SAF/AAZ will reconsider non-selection decisions. Reconsideration of military non-selections requires unit commander approval and involvement.

3.20.6. The servicing security activity of the nominating unit:

3.20.6.1. Processes the appropriate investigation to DSS or OPM. See [Attachment 2](#).

3.20.6.1.1. Completes DD Form 1879 for an SSBI by typing ~~Y~~ANKEE WHITE” in capital letters in the remarks section. Checks the ~~P~~residential Support” block and indicates the level of clearance required for the position. Includes the title of the authorized presidential support position and the unit or organization to which the individual will be assigned.

3.20.6.1.2. Completes the SF 86 for a NACLC by typing ~~Y~~ANKEE WHITE” in capital letters in the remarks section. Type ~~P~~residential Support” and indicate the level of clearance required for the position. Include the title of the authorized presidential support position and the unit or organization to which the individual will be assigned.

3.20.6.2. Prepares the ~~s~~ervicing security activity” nomination memorandum for the CAF outlined in [Attachment 9](#).

3.20.6.3. Forwards the nomination memorandum to the CAF for further processing.

3.20.6.4. Notifies the servicing medical facility that must mark and monitor the individual’s medical records, upon notification by the Commander that the member has been approved for presidential support duties. See [Attachment 10](#).

3.20.6.5. Notifies the servicing medical facility when individuals are no longer assigned presidential support duties.

3.20.6.6. Notifies the CAF presidential support representative telephonically within 24 hours when an individual’s access has been temporarily suspended or removed and note if publicity is anticipated. The temporary suspension or removal should also be input into the CAVS which will provide the information to the CAF electronically. Provides written follow-up to include a summary of all available information within 2 working days. If applicable a full report of investigation of the allegations and commander’s recommendation for removal or reinstatement shall be forwarded to the CAF within 50 days. Provide a status report within 30 working days. Temporary suspension in which the issues are unresolved by the applicant within 90 days shall become a permanent removal. Notifies the CAF within five working days, when this occurs. Notifies the CAF when

individual's (1) are permanently removed from presidential support duties, (2) separate or (3) retire. The CAF notifies SAF/AAZ immediately in all cases.

3.20.6.7. Completes and forwards to DSS the FD Form 258, **FBI Fingerprint Card**.

3.20.6.8. Forwards requests for transfer or designation of additional presidential support positions to the CAF for coordination. The CAF will attach the current unit billet structure and forward it to SAF/AA for approval.

3.20.6.9. Processes individuals for periodic reinvestigations.

3.20.7. Servicing Medical Authority:

3.20.7.1. Ensures the medical records of members approved for presidential support duties are identified, evaluated and monitored while assigned to presidential support.

3.20.7.2. Identifies the medical records using AF Form 745, **Sensitive Duties Program Record Identifier** (see AFI 41-210, *Patient Administration Functions*).

3.20.7.3. Immediately notifies the individual's commander or designated representative and the servicing security activity when a significant effect on the individual's suitability to perform presidential support duties is expected as a result of medical, dental, or mental health treatment or medication, and if drug or alcohol abuse is suspected.

3.20.7.4. Provides a summary of pertinent health records to individual's commander or designated representative at their request. The actual record will be provided only if specifically requested for clarification purposes or other compelling need. Mental health clinic records may, if necessary, be reviewed in their entirety by the individual's commander or reviewing official, provided a privileged mental health provider is present to help interpret psychological testing data and other technical information which may be contained in the record. The information contained in the record is protected under the Privacy Act and is not to be discussed or released except as indicated in this paragraph.

3.20.8. Commander and or Supervisory Indoctrination Program. Commanders and or supervisors will become knowledgeable of DOD 55210.55 and requirements of this AFI prior to evaluating and recommending individuals for presidential support positions.

3.20.9. Continuing Evaluation. Commanders and supervisors continually evaluate the trustworthiness of personnel serving in presidential support duties to ensure they meet the standards. Take necessary action when adverse information becomes known to access the validity of the information. If appropriate, initiate action for suspension and or removal. Follow SIF procedures as outlined in **Chapter 8** when unfavorable information surfaces on an individual already in the PSP program.

3.20.10. Investigative Requirements. Persons nominated for presidential support duties must have an SSBI or NACLC current within 36 months of assignment to presidential support duties. The DD Form 1879/SF 86 will be annotated to reflect if the investigation is for initial assignment into the program.

3.21. Nuclear Weapons Personnel Reliability Program. Refer to AFI 36-2104, *Nuclear Weapons Personnel Reliability Program (PRP)* for PRP certification and investigative guidance. A new personnel security investigation (PSI) or periodic reinvestigation is required when there is a break in personnel reliability program certification of more than five years, or for new PRP

assignments when the security investigation date is over five years. A new PSI is also required any time a break in service of more than 24 months occurs between completion of the security investigation and PRP certification dates.

3.22. Access to North Atlantic Treaty Organization Classified Information. U.S. military personnel, civilians, and contractors shall be permitted temporary access to COSMIC Top Secret information based on a final U.S. Secret clearance and issuance of an interim Top Secret clearance, pending completion of an SSBI and issuance of a final Top Secret clearance. The temporary access will be valid until completion of the investigation and adjudication of the final clearance. However, the agency granting the access will rescind it if adjudicatively significant information is identified during the course of the investigation. The same procedures apply to personnel not assigned to a NATO staff position, but requiring access to NATO COSMIC Top Secret, Secret or Confidential information. The granting agency records NATO access in the CAVS. Refer to AFI 31-406, *Applying NATO Protection Standards*.

3.23. Special Access Program. Certain programs require additional investigative and or safeguarding requirements. Refer to AFI 16-701, *The US Air Force Special Access Programs*.

3.24. Processing Requests for Access to Restricted Areas, Sensitive Information or Equipment Not Involving Access to Classified Information. Access for unescorted entry may be granted based on the following investigative requirements. Refer to **Attachment 3, Table A3.6**

3.24.1. DOD and OPM civilians require a National Agency Check with Written Inquiries and Credit Check (NACIC).

3.24.2. Air Reserve forces personnel with a current Entrance National Agency Check (ENTNAC) or NAC may have unescorted entry to restricted areas while in civilian status, pending completion of the required NACIC.

3.24.3. Department of Energy employees require an "S" (Secret) clearance.

3.24.4. Federal employees require a NAC.

3.24.5. United States active duty, retired, or separated military members with an Honorable Discharge and no break in service greater than 24 months, may use a previously completed ENTNAC or NACLC.

3.24.6. Contractor employees require a NAC. Contractors operating as visitor groups only (contract performance exceeding 90 consecutive days), have the following option. Commanders may grant individuals access to restricted areas subject to: (1) the contractor completing the SF 85P and it is submitted to OPM for a NAC; (2) a check of the Defense Clearance and Investigations Index reveals no relevant, significant information which might preclude unescorted access; and (3) a check of appropriate local records.

3.24.7. Commanders may waive on a case by case basis, the investigative requirements for unescorted entry to restricted areas containing PL2 and or 3 resources pending completion of a favorable NAC, or NACIC after favorable review of the completed personnel security questionnaire for the investigation. Decisions to deny or withdraw must be fully supported by the documented facts. Individuals must be informed of the adverse information about them (unless precluded by security considerations) and given the opportunity to appear before the

commander. This allows the individual to refute or to mitigate the information. Forward appeals of denials or withdrawals to the MAJCOM commander or designee.

3.24.8. Interim access to restricted areas may be granted to military, civilians, and contractors. Use the same procedures for interim access as established for interim AIS (para [3.27](#)).

3.24.9. For Foreign National military members and host military members assigned to USAF activities, entry authorization is based on government-to-government agreements, treaties, and unified command directives. A SSBI is required for restricted areas containing PL1 or 2 resources, and a local agency check for restricted areas containing PL3 resources.

3.24.10. Unit commanders through the installation commander, request NACs on contractor employees requiring unescorted entry to restricted areas. The CAF adjudicates the completed NAC and enters the results in the appropriate database. Installation commanders approve all denials or withdrawals of unescorted entry for contractor employees.

3.24.10.1. **(Added-AFMC)** The security manager must ensure a contractor employee has the proper PSI before signing AF Form 2586, Unescorted Entry Authorization Certificate. If there is no record in the Joint Personnel Adjudication System (JPAS), contact the ISPM for assistance in checking Defense Industrial Security Clearance Office (DISCO) records. Submit PSI to the appropriate investigative agency if there is no record of investigation.

3.25. Nonappropriated Fund Employees. Human Resources Office (HRO) managers ([Attachment 4](#)) designate positions of trust. AFD 34-3, *Nonappropriated Funds Personnel Management and Administration* and AFI 34-301, *Nonappropriated Fund Personnel Management and Administration* establish policies for the management of the AF Nonappropriated Fund Personnel Program. HRO managers make suitability determinations according to the suitability criteria outlined in 5 CFR 731.201-202. The determination will be filed in the individual's personnel file.

3.26. Special Agents and Investigative Support Personnel. See [Attachment 3](#). Non-investigative personnel whose official duties require direct investigative support include administrative processing and or handling of the investigative reports on a continuous basis. The CAF adjudicates the investigation and enters the data in the DCII and AMS.

3.27. Personnel Occupying Information Systems Positions Designated Automated Information Systems, AIS-I, AIS-II, and AIS-III (formerly ADP positions). Refer to DOD 5200.2-R, appendix K for ADP definitions.

3.27.1. See [Attachment 3](#) for AIS I, II, and III investigation requirements. See paragraph [3.11](#) for interim security clearance requirements.

3.27.1.1. **(Added-HILLAFB)** Unit SMs must ensure their organization's designated sensitive computer and computer-related positions requiring a clearance have an ANACI or higher investigation.

3.27.2. The CAF provides the results of the investigations for AIS I, II, and III purposes to the authorized requester for the commander's suitability determination according to the suitability criteria outlined in 5 CFR 731.201-202. The CAF does not review the investigation for security clearance purposes.

3.27.3. Commanders may recommend to the Designated Approving Authority (DAA) that interim AIS access be granted. Commanders may waive, on a case by case basis, the investigative requirements for access to AIS pending completion of a favorable ENTNAC, NAC, NACIC, ANACI, or SSBI, after favorable review of the completed personnel security questionnaire for the investigation. Commanders confirm that the following actions have been accomplished prior to access:

3.27.3.1. Mandatory information assurance training has been given and documentation by a supervisor accompanies the request.

3.27.3.2. Systems Administrators have implemented measures to limit access to the information required to conduct assigned duties.

3.27.3.3. Commanders and or supervisors have ensured increased monitoring of the individual having AIS access.

3.27.3.4. For military members: after verification from the unit security manager that the required investigation has been initiated and the preliminary suitability determination has been made.

3.27.3.5. For AF Appropriated and NAF Civilians (over 180 day appointment or an aggregate of 180 days has been reached):

3.27.3.5.1. CPF/HRO returns to the commander, a favorable suitability determination based on the results of the completed OF 306, Declaration for Federal Employment, and the SF 85, Questionnaire for Non Sensitive Positions, or 85P.

3.27.3.5.2. Unit security managers initiate a local files check (LFC).

3.27.3.5.3. Security Forces verify that the appropriate investigation has been initiated and no adverse information was revealed in the completed LFC.

3.27.3.6. For AF Appropriated and NAF Seasonal or Summer Hire Employee (under 180 day appointment):

3.27.3.6.1. CPF/HRO returns to the commander, a favorable suitability determination based on the results of the completed OF 306.

3.27.3.6.2. Unit security managers initiate a LFC.

3.27.3.6.3. Security Forces verify that no adverse information was revealed in the completed LFC.

3.27.3.7. For Contractors:

3.27.3.7.1. Unit security managers initiate the LFC.

3.27.3.7.2. Security Forces verify that the appropriate investigation has been initiated and no adverse information was revealed in the completed LFC.

3.27.3.7.3. **(Added-AFMC)** Unit commanders are responsible for suitability determinations. The Commander will use the adjudication guidelines set forth in DoD 5200.2-R, Chapter 2 and the Stephen J. Hadley, Assistant to the President for National Security Affairs Memo, 29 December 2005, Attachment Tab A, Revised

Adjudicative Guidelines for Determining Eligibility for Access to Classified Information.

3.28. Periodic Reinvestigations (PR). PRs are required every 5 years for Top Secret and 10 years for Secret. Authorized requesters submit requests for reinvestigations to the DoD Authorized Investigation Provider as outlined in [A2.2.2.1](#) See AFI 31-406, Applying North Atlantic Treaty Organization (NATO) Protection Standards, for submission of PRs for NATO investigations.

3.28. (AFMC) Periodic Reinvestigations (PR). The unit security manager shall initiate the first request for periodic reinvestigations at the 4-year, 6 month mark before the 5-year investigation anniversary date for Top Secret and 9-year, 6 month mark before the 10-year investigation anniversary date for Secret.

3.28.1. **(Added-HILLAFB)** Units must have procedures in place to ensure each Department of Defense (DoD) military, civilian, consultant, and contractor employee occupying sensitive, critical or non-critical sensitive positions, possessing a Top Secret or Secret clearance or occupying a Special Access Program (SAP) position, are subjected to a periodic reinvestigation (PR) every 5 years for a Top Secret and every 10 years for a Secret. Unit SM must monitor all personnel security investigations through JPAS to ensure PRs are being monitored and submitted at the 4.5 year mark for a Top Secret and 9.5 year mark for a Secret accordingly. PR reports will be reviewed during Installation Security Program Manager (ISPM) review.

3.29. Explosive Ordnance Disposal (EOD). Although such personnel normally only require a Secret clearance, an SSBI is initially required due to training and assignments involving nuclear weapons. Persons occupying an EOD position shall undergo a Secret PR on a five year recurring basis.

Chapter 4

RECIPROCAL ACCEPTANCE OF PRIOR INVESTIGATIONS AND PERSONNEL SECURITY DETERMINATIONS

4.1. Prior Federal Civilian Investigations. Investigations previously conducted on civilian employees are suitable and accepted for granting immediate access to classified information.

4.1. (AFMC) Prior Federal Civilian Investigations. Prior investigations, of the appropriate scope, conducted on current or former military members, DoD contractors or employees of other federal agencies may also be used to grant access or interim access to classified information, entry to restricted areas or access to an unclassified LAN system. Prior investigations may also be used as the National Agency Check (NAC) portion of a background check for individuals in child care service positions.

4.1.1. Civilian Personnel Flight:

4.1.1.1. Verifies prior federal employment in a sensitive position was continuous with no single break longer than 24 months.

4.1.1.2. Confirms the individual is employed in a sensitive position with the Air Force and that clearance eligibility is valid.

4.1.1.3. Confirms with the CAF that a valid investigation is on file. The CAF updates the DCII and AMS.

4.1.1.4. Forwards verification of the investigation to the subject's commander.

4.1.1.5. **(Added-AFMC)** If the information is not in JPAS, contact the employee's former supervisor and/or security manager (or similar official) to determine if the individual had a security clearance and the level of access held. If possible, obtain written data relating to the security clearance/access such as the date and type of investigation and how long the employee worked at the activity. Ensure individual has no adverse information in their employment records or former unit's security records.

4.1.2. Unit commander:

4.1.2.1. Grants access when actions are completed.

4.1.2.2. Destroys all copies of the documentation when SK shows the security clearance data.

Chapter 5

REQUESTING PERSONNEL SECURITY INVESTIGATIONS

5.1. General.

5.1.1. Security Managers provide personnel security support to active duty military, civilian, and guard and reserve members assigned or attached to the active duty organization.

5.1.1.1. Submit completed personnel security questionnaires to supporting authorized requester. See [Attachment 3](#) for additional guidance.

5.1.1.2. **(Added-AFMC)** Unit security manager will monitor all personnel security investigations through JPAS. The ISPM will review the Periodic Reinvestigations (PRs) report during program reviews to ensure PRs are being monitored and submitted accordingly.

5.1.1.3. **(Added-HILLAFB)** All organizations must include in their organizational operating instruction (OI), policies, and procedures to process security clearances for military, DoD civilian, and contractor personnel who are employed by or serving in a consulting capacity to the DoD, when access to classified information or material is required in connection with their official duties.

5.1.1.4. **(Added-HILLAFB)** When an individual in the unit departs (permanent change of station (PCS), separates, retires, etc.), the SM will out process the individual in JPAS under the “IN/OUT Process” link on the Person Summary Sheet and annotate the security debriefing under the “Debrief” link in the “Available Actions” block with the date individual was debriefed and reason. Immediately notify 75th Air Base Wing Personnel Security Program Manager (75 ABW/IPP) with the above information on all unit departures so individuals may be out processed at the account manager level.

5.2. Authorized Requesters.

5.2.1. MAJCOM, field operating agency (FOA), or direct reporting unit (DRU) staffs designate authorized requesters to initiate PSIs for their organization. As a general rule, the number of authorized requesters will be kept to the minimum number required to meet mission requirements. See [Attachment 2](#) for request procedures.

5.2.2. Authorized requesters provide the AFCAF with the name, telephone number, and office symbol of individual(s) who may obtain security clearance and or investigative data on individuals within their organization and provide copy to respective MAJCOM. See para [6.1](#) for AFCAF address.

5.2.2. **(AFMC)** Servicing ISPM submit requests for designation as authorized requesters to HQ AFMC/A7SXI. Provide justification for the need to be an authorized requester, complete organizational title, symbol, organizational PASCODE, mailing address, point of contact and commercial and DSN telephone numbers. Authorized requesters send changes, deletions or additions to their list of authorized callers to HQ AFMC/A7SXI. Limit telephone calls to emergency situations. Use JPAS for tracer transactions in routine situations.

5.2.2.1. **(Added-HILLAFB)** 75 ABW/IPP is the HAFB authorized requester for all periodic investigations sent to the OPM.

5.2.2.2. **(Added-HILLAFB)** 75 ABW/IPP is the HAFB authorized requestor to the Air Force Central Adjudication Facility (AFCAF).

5.2.3. Authorized requesters may query the JCAVS or call the CAF Customer Support Section at DSN 754-1242/43 to determine investigative and/or adjudicative status.

5.2.4. Authorized requesters approve and submit personnel security questionnaires to the DoD Authorized Personnel Investigation Provider according to [Attachment 2](#).

5.2.5. Advise HQ USAF/XOFI when authorized requesters are disestablished.

5.3. Criteria for Requesting Investigations. See [Attachment 3](#) for the type of investigation to request.

5.3.1. **(Added-HILLAFB)** The following must be included in the electronic Questionnaire Investigation Processing (e-QIP) security investigation package:

5.3.1.1. **(Added-HILLAFB)** e-QIP Archival copy.

5.3.1.2. **(Added-HILLAFB)** Certification signature sheet.

5.3.1.3. **(Added-HILLAFB)** General Release signature sheet.

5.3.1.4. **(Added-HILLAFB)** Medical Release signature sheet.

5.3.1.5. **(Added-HILLAFB)** Fingerprint specimen: By electronic fingerprinting or on SF Form 87, *Fingerprint Chart* (civilian) or FD Form 258, *Federal Bureau of Investigation (FBI) Applicant Card* (military).

5.3.1.6. **(Added-HILLAFB)** Electronic fingerprinting is the default method and is available by appointment through 75 ABW/IPP. Fingerprint cards will be provided for initial contractor investigations only. When submitting a SF 85P, *Questionnaire for Public Trust Position*, (contractor investigation), the security investigation package must include two signed and dated copies of the form and a SF 87, *Fingerprint Chart*.

5.3.2. **(Added-HILLAFB)** Signatures on e-QIP certification, general, and medical release sheets must be signed the same day they are submitted to 75 ABW/IPP. Dates will be entered in ~~dd-abbreviated~~ "month-yyyy" format unless otherwise specified. No corrections—regardless of how minor—are allowed on e-QIP signature sheets. Signatures and dates on AF Forms 2583, *Request for Personnel Security Action*, will not be older than 60 days (blocks 20 – 22) at the time of submission to 75 ABW/IPP.

5.4. Request Procedures. See [Attachment 2](#) for the request procedures.

5.5. Priority Requests. The following sensitive programs are authorized priority processing service by OPM:

5.5.1. PRP. In cases where a PRP ~~“C”~~ coded case warrants ~~“Priority”~~ service by OPM, the authorized requester must coordinate the request through channels to AF/XOS-FI. Each authorized requester will maintain a fiscal year (FY) Excel spreadsheet listing for this purpose. The spreadsheet will include all previously coordinated FY priority PSIs and all new requirements the authorized requester is coordinating under this authority. When

coordinating new priority cases, forward the entire FY spreadsheet to afxofi.workflow@pentagon.af.mil. AF/XOS-FI will return to the authorized requester for monitoring the completion of the investigation.

5.5.2. SCI. When the NACLC adjudication date is less than 12 months (DCID 6/4, Annex A, para 5), the servicing Authorized Requester will provide the servicing SSO a copy of the completed SF 86 for each SSBI request with an SCI access requirement. This will be done at the same time the request for SSBI/SCI is forwarded to OPM. Security Managers/SSOs/Authorized Requesters will expedite the processing of the SSBI off the installation to OPM and request priority level of service. On the *OPM Agency Use Sheet* annotate 30A in Block A. Also see AFMAN 14-304.

5.6. Personal Data Provided by the Subject of the Investigation.

5.6.1. The Air Force goal for processing personnel security investigation requests at base level is 14 duty days. However, commands that have extensive deployments and TDY requirements may establish their own internal management controls and or timelines for the processing of investigation requests.

5.6.2. The subject of the investigation will provide the required documentation to the security manager to verify birth and education information. See [Attachment 2](#) for details.

5.6.3. Individual Mobilization Augmentee (IMA): Upon accession, IMAs complete the PSI during the first three days of the individual duty training (IDT) period or not later than 90 days at the unit of assignment or attachment and turn-in to the servicing security manager and or gaining active duty security manager.

5.6.4. See [Chapter 8](#) for actions when individuals refuse to provide the required information for a personnel security investigation.

5.6.5. DSS and OPM are the DOD repository of personnel security investigative files. To obtain a personal copy of an investigation, forward a notarized request that includes: name, SSAN, date of birth, and place of birth to: DSS, ATTN: Privacy Act Office, PO Box 46060, Baltimore, MD 212406060 or OPM, ATTN: FOIA, PO Box 618, 1137 Branchton Rd, Boyers, PA 16018-0618. The request should refer to the Privacy Act and include a valid return address. All signatures must be notarized. Military personnel may use a commissioned officer in lieu of a notary public to attest to the signature. Identify the SSN and rank of the officer. Also refer to AFI 33-332, *Air Force Privacy Act Program*.

5.7. Dual Citizenship. A security concern could exist when a military member, DoD civilian, contractor, or consultant is submitted for a personnel security investigation and they are a dual citizen and/or possess/ use a foreign passport.

5.7.1. Dual Citizenship. Dual citizenship in and of itself is not an automatic disqualifier for security clearance eligibility. However, possession of dual citizenship and particularly the **exercise** of dual citizenship is a condition that raises a security concern and may be a disqualifying factor in a security clearance eligibility determination. There are factors that could mitigate the maintenance of dual citizenship, as outlined in DoD 5200.2-R, App I, Foreign Preference. An individual's expressed willingness to renounce dual citizenship is one of the conditions that *could* mitigate security concerns.

5.7.2. Possession or Use of a Foreign Passport. Possession and/or use of a foreign passport in preference to a US passport raises doubt as to whether the person's allegiance to the US is paramount and could also facilitate foreign travel unverifiable by the US. The security clearance will be denied or revoked, unless the applicant surrenders the foreign passport or obtains official approval for its use from SAF/AA. Requests for approval are forwarded through respective Information Security Program Manager (ISPM) channels to HQ USAF/XOS-FI for processing to SAF/AA. Justification must include what benefit the AF will gain from a person holding a foreign passport. AFCAF will annotate approvals in the remarks field of the JPAS.

5.7.3. Surrendering the Passport. Individuals who indicate they possess a foreign passport in item 15 of the Electronic Personnel Security Questionnaire or item 17d on the Standard Form 86, **Questionnaire for National Security Positions**, will be required to surrender the passport via one of the following methods:

5.7.3.1. Return the passport to the appropriate country embassy or consulate via certified receipt mail. A copy of the transmittal memo forwarding the passport and the return receipt will be forwarded to the AFCAF. See para 6.1 for AFCAF address. If the name of adjudicator assigned to the case is known, include this in the ATTN line of the address.

5.7.3.2. Destroy the passport as witnessed by an AF security manager. Cut up the passport and place in a burn bag. The witnessing security manager will document the destruction of the passport in an explanatory memorandum, which will be forwarded to the AFCAF and a copy provided to the subject.

5.7.4. Security Clearance Eligibility. In order for individuals who hold foreign passport and dual citizenship to be considered for and/or be granted security clearance eligibility the following must be completed:

5.7.4.1. Provide a written statement expressing their willingness to renounce foreign citizenship claims in favor of a sole United States citizenship status. Actual renunciation is not required.

5.7.4.1.1. **(Added-HILLAFB)** Template letter for Surrender of Foreign Passport and Declaration of US Citizenship is available from 75 ABW/IPP.

5.7.4.2. Return and or destroy the passport.

5.7.5. The renouncement statement and documentation of destruction of the passport must be provided to the AFCAF. The AFCAF reviews each case on its own merits to determine security clearance eligibility.

5.7.6. This same guidance will apply if the passport is identified after a security clearance determination is made.

Chapter 6

ADJUDICATION

6.1. Central Adjudication Authority. The Air Force Central Adjudication Facility (AFCAF) is the Central Adjudication Authority. Address is: AFCAF/PSA, 229 Brookely Ave, Bolling AFB 20032.

6.1.1. The policy and criteria set forth in DOD Regulation 5200.2-R, paragraph 2-200, 6-102 and Appendix I will be applied in making personnel security determinations for a security clearance or assignment to sensitive duties.

6.1.2. Unfavorable adjudication results in the denial/revocation of clearance eligibility (see [Chapter 8](#)).

6.1.3. The AFCAF will review all investigative products and make an eligibility determination.

6.1.4. AFCAF Customer Service will not release adverse information to inquiring customers on pending investigations, as it invokes privacy act concerns. Derogatory issues are often resolved through completion of the investigation and or adjudication of the case. Premature dissemination of unresolved and or un-adjudicated issues could result in discriminatory practices with respect to such areas as employments or assignments.

6.2. Adjudicative Record. Personnel security determinations are reflected in the JPAS. JPAS replaced Sentinel Key (SK) as used throughout AFI 31-501.

Chapter 7

ISSUING CLEARANCE AND GRANTING ACCESS

7.1. General

7.1.1. The AFCAF is the designated authority to grant, suspend, deny, or revoke personnel security clearances and SCI accesses (see [Chapter 11](#)).

7.1.2. Position Designations (7-100c). Commanders:

7.1.2.1. Determine the level of access necessary for each military and civilian position based on mission needs. Each position is coded with the appropriate security access requirement (SAR) and identified in the unit manning document (UMD), the Defense Civilian Personnel Data System (DCPDS), and SK. See **Attachment 3**, for SAR code definitions. If the SAR code requires a change, the unit commander submits an authorization change request to the servicing security activity.

7.1.2.2. Conduct a review annually to determine the accuracy of position coding, eliminate unnecessary access codings, and adjust SAR code appropriately.

7.1.2.3. Record findings in the UMD and SK.

7.1.2.4. Ensure only necessary investigations are requested to meet mission essential needs.

7.2. Investigative Requirements for Coding Positions. Commanders will:

7.2.1. Determine the type of investigation required for mission purposes for each military and civilian position in the organization. Investigations are required for multiple purposes: to determine suitability and/or trustworthiness of individual for employment/assignment to positions of trust/access to certain programs; and for security clearance. Each position is coded with the appropriate position code reflecting the required investigation level in the unit manning document (UMD) and the Defense Civilian Personnel Data System (DCPDS). These will also be reflected in the Headquarters Air Force Manpower Data System (HAF-MDS).

7.2.1.1. Assign one of the five investigation types to each position:

7.2.1.1.1. Single Scope Background Investigation (SSBI).

7.2.1.1.2. National Agency Check, Local Agency Checks and Credit (NACLC)

7.2.1.1.3. Access National Agency Check and Inquiries (ANACI)

7.2.1.1.4. National Agency Check Plus Inquiries (NACI)

7.2.1.1.5. National Agency Check (NAC).

7.2.1.1.6. **(Added-HILLAFB)** Procedures must be in place in each unit at HAFB to ensure that other critical positions (e.g. presidential support, system/network administrators) have appropriate and current investigations. These procedures will be evaluated during ISPM program reviews.

7.2.1.2. The definitions and corresponding codes are located in **Attachment 22, Table A22.1**

7.2.1.3. Conduct annual review to determine the accuracy of position coding. The last AF-wide directed review was conducted in May 04. Reviews will be conducted each May. Retain results for review during self inspections, etc.

7.2.1.3.1. **(Added-AFMC)** After completion of the annual review, annotate in memorandum form the number of positions coded 5, 6 and 7 assigned to the unit/organization. Include a brief explanation of any increase or decrease to the number of positions coded 5 since the last UMD review. Unit commanders will sign the memorandum and send it to the servicing ISPM by 30 May each year.

7.2.1.3.1. **(HILLAFB)** 75 ABW/IPP will conduct the Annual Position Code Review in May of each year to determine accuracy of position codes. Unit SMs will coordinate with the person responsible for the Unit Manning Document (UMD) to ensure positions are coded correctly. Military codes are: -5"-Top Secret, -6"-Secret. Civilian codes are: -5" Top Secret, -7"-Secret, and -8"-Non-sensitive positions (for civilians requiring computer access only). Unit SM will submit the Annual Position Code Review memorandum, signed by the unit commander, to their wing SM. The wing SM will consolidate all reviews in their wing and forward to 75 ABW/IPP no later than 30 May.

7.2.1.3.2. **(Added-AFMC)** The servicing ISPM office will compile the UMD review information for their base using the format provided in Attachment 28 and will send the consolidated report to HQ AFMC/A7SXI NLT 30 June each year.

7.2.1.3.3. **(Added-AFMC)** HQ AFMC/A1M will provide HQ AFMC/A7SXI with a quarterly UMD report identifying all AFMC positions with a position code 5. The MAJCOM Security Advisory Group (MSAG) will review the quarterly report to ensure SSBI-coded positions have not significantly increased.

7.2.1.4. Ensure only necessary investigations are requested to meet mission essential needs.

7.2.1.5. See **Attachment 22** for additional guidance.

7.2.2. Mandatory Secret or Top Secret requirement may be required when every position in a specialty is not coded as requiring access to classified information if the functional community can validate security access requirements for the AFSC and provide justification that demonstrates mandatory qualification required for mission accomplishment, such as access to classified information or equipment.

7.2.3. **(Added-AFMC)** A select group of Air Force Specialty Codes (AFSCs) for officers and enlisted personnel have a mandatory SSBI requirement. The AFSC list is also applicable to DoD civilian positions. The list is updated by SAF/AAP periodically and the ISPM is responsible for maintaining the most current listing. Each respective commander, through their servicing human resources representative, is responsible for enforcing the mandatory SSBI requirements.

7.3. Investigative Requirements for Air Force Specialty Codes (AFSCs). HQ USAF/XOS-FI approves requests for adding security clearances or investigations as AFSC prerequisites.

Requests are staffed through ISPM channels. AFMAN 36-2105, Officer Classification and AFMAN 36-2108, Enlisted Classification will reflect an SSBI requirement for entry, award, and retention for the respective mandatory AFSCs. See [Attachment 22](#); [Table A22.2](#) [A22.3](#)

7.3.1. Security clearance data can be verified by the CAVS, Permanent Change of Station Orders, or Temporary Duty Orders.

7.4. Investigative Requirements for Sensitive Programs. There are several sensitive programs that have been designated as a mandatory SSBI requirement, i.e., Presidential Support, Personnel Reliability Program, etc. See [Attachment 22](#), Table A22.4.

7.4. (AFMC) Investigative Requirements for Sensitive Programs. When a Manpower Change Request form is submitted to change the position code for a position that supports a mandatory sensitive program, include a statement in the justification block that identifies the change is in compliance with AFI 31-501, Table A22.2., *Mandatory SSBI Sensitive Programs Requirements*.

7.4.1. AMS is the application used by the CAF and is restricted to CAF personnel only.

7.4.1. (AFMC) JPAS is the sole repository for security clearance/investigation data. The Joint Adjudication Management System (JAMS) and the JCAVS are the two sub-systems in JPAS. JAMS provides the Central Adjudication Facility (CAF) a single, integrated information system to assist the adjudication process. As the adjudicators input investigative information into JAMS, it becomes “real time.” JCAVS provides DoD security personnel the ability to instantaneously update other JCAVS users with pertinent personnel security clearance and access information in order to ensure the reciprocal acceptance of clearances throughout DoD. This system is designed for security managers. HQ AFMC/A7S is the JPAS account manager for the Command.

7.4.1.1. It is a centralized database enabling CAF personnel to post adjudication results; security clearance determinations; access eligibility; pending actions; status of due process actions, i.e. security information files; statistical reporting requirements; and other personnel security management functions.

7.4.1.2. Selected data fields from AMS will be available through CAVS to Air Force customers/ users almost immediately after input by CAF personnel and within 24 hours of data input by other customers/users.

7.4.2. CAVS is the application used by MAJCOM/FOA/DRUs, ISPMs, SSOs, unit level security managers, and other individuals with personnel/physical security responsibilities. MAJCOM/FOA/ DRUs will determine those organizations and individuals within their organizations who will be given CAVS access. Clearance data elements in the CAVS include the full date and type of investigation and the full date and status of security clearance. The information is invalid when any of these four data elements are incomplete.

7.4.2.1. Use the most current highest level eligibility recorded in the CAVS when more than one entry appears for an individual.

7.4.2.2. An individual may have multiple SAR codes recorded in the CAVS if the individual is in multiple positions (i.e. civilian, reserve, or air national guard). The level of access given to the individual should be based on the access necessary for the position. Commanders make the decision on the level of access required.

7.4.2.3. The term ~~DCID~~ 6/4 (formerly DCID 1/14)” means the person has been the subject of a SSBI, has been granted a Top Secret security clearance, is eligible for SCI access if required for mission essential purposes (depending on the currency of the investigation) and or may already have SCI access. See AFMAN 14-304.

7.4.2.4. The CAVS will provide the following information:

7.4.2.4.1. An individual’s security clearance level and access.

7.4.2.4.2. Visit and suspension notifications.

7.4.2.4.3. SCI indoctrination, nondisclosure statement, and debriefing dates.

7.4.2.4.4. Establishment of a SIF.

7.4.2.5. Access to the CAVS is restricted to Air Force employees only. Contractors and others who are assigned to an ISPM or SSO office must have prior approval by the SK Program Management Office (497 IG/INSP (PMO)) for access.

7.4.2.5. **(AFMC)** Contractors that perform security functions have limited access to and limited use of JPAS. The servicing ISPM must ensure the contractor’s investigation meets access level requirements before receiving an account. ISPM maintains a list of contractors that have access to JPAS. Include the contractor's name, company, SSN and phone number. The ISPM will establish JPAS accounts for contractors after the ISPM receives written justification from the government sponsor (commander, director or staff agency chief). Justification must include specific need for account establishment.

7.4.2.6. There are 7 User Levels in the CAVS. These levels are defined as follows:

7.4.2.6.1. Level 1: CAF personnel and Systems Administrators.

7.4.2.6.2. Level 2: MAJCOM/FOA/DRU SCI security personnel.

7.4.2.6.3. Level 3: Base SCI security personnel.

7.4.2.6.4. Level 4: MAJCOM/FOA/DRU non-SCI security personnel.

7.4.2.6.5. Level 5: Base ISPM security personnel.

7.4.2.6.5. **(AFMC)** Servicing ISPM submit access request forms for base Level 5 access to HQ AFMC/A7SXI for approval.

7.4.2.6.6. Level 6: Entry Controller.

7.4.2.6.7. Level 7: Unit Level Security Manager.

7.4.2.7. User Levels have the following CAVS read and write access:

7.4.2.7.1. User levels 2-7 have read access to all Air Force personnel.

7.4.2.7.2. User levels 2 and 4 may write to records within their MAJCOM/FOA/DRU PASCODE.

7.4.2.7.3. User levels 3 and 5 may write to records within their local PASCODE and to records of individuals assigned to another MAJCOM/FOA/DRU supported by levels 3 and 5.

7.4.2.7.4. User level 6, entry controller, has the ability to verify an individual's clearance eligibility and access in the CAVS. MAJCOM/FOA/DRU may have reports printed for entry controllers by base ISPM security personnel (user level 5) listing the clearance eligibility and access of expected visitors. Reports will only be valid for the date and time printed.

7.4.2.7.5. User level 7 has the ability to write non-SCI access (interim, secret, and top secret); nondisclosure dates; NATO access; and the indoctrination/debriefing dates. Level 7 is also authorized to view non-SCI access history and print reports associated with their write capabilities.

7.4.2.8. ISPMs determine the number of users and the access level for each user within their command. The system administrator will establish user accounts. SK allows unlimited users on one computer, but each user must have an individual account. A user account must be restricted to the registered user only.

7.4.2.8.1. **(Added-AFMC)** Servicing ISPM will manage their local JPAS account.

7.4.2.8.1.1. **(Added-HILLAFB)** 75 ABW/IPP will manage the HAFB local JPAS account.

7.4.2.8.2. **(Added-AFMC)** Servicing ISPM will review local JPAS accounts; the review will be conducted quarterly.

7.4.2.8.3. **(Added-AFMC)** Personnel found abusing their JPAS access (e.g. open a JPAS account for an individual that is not authorized) will have their access removed. The installation commander must approve request for reinstatement.

7.4.2.9. User Levels 1-3 must have a Top Secret clearance based on an SSBI or PR. User Levels 4-7 require a Secret clearance based on an ENTNAC, NAC, NACLC, NACI, NACIC, or ANACI.

7.4.3. The CAF will publish and keep current a SK training guide with instructions on the use of AMS and CAVS. The CAF will review/update the SK web page at least monthly, to provide additional guidance and references as needed.

7.4.4. Requests for changes to SK must be forwarded by the MAJCOM/FOA/DRU Security Forces or Special Security Office (SSO) to the SK Requirements Group through the 497 IG/INSP, 229 Brookley Ave, Bolling AFB DC, 20332-7040.

7.4.5. SK will be replaced with the Joint Personnel Adjudication System (JPAS) which will be the DOD personnel security automated system that contains investigative and security clearance data.

7.5. Investigative Requirements for Air Force Deployments, Operational or Contractual Exigencies. This policy does not apply to SCI. Positions identified for deployments will, as a minimum, be assigned a NACLC, requiring access to Secret information for the in-country threat briefing. SSBI's are not authorized for purposes of Top Secret eligibility –just in case of" deployment. In these situations, commanders grant interim Top Secret access for a period of up to 180 days. This can be renewed for extended deployment purposes and for redeployment. Interim Top Secret access is granted for the purpose of deployment based on the existing NACLC, and discontinued upon return to home station. SSBI's will not be required for this purpose. Persons must be US citizens and have not had a break in service for more than 24

months. Record of the interim TS is annotated in JPAS or in cases where it is not available, documented and maintained with security related documents. However, SSBI is authorized if a joint or theater deployment requires a final Top Secret security clearance and will not accept interims, i.e., JCS contingencies. These requirements need to be identified and positions coded IAW para 7.2 of this instruction.

7.6. Approval Authorities for Additional/New/Upgrade of SSBI. 3-Star/Civilian Equivalent authority is required to approve any additional/new/upgrade SSBI before the servicing Manpower Office codes the positions on the UMD. Approval authorized can not be delegated. Approval authorities are as follows:

7.6.1. MAJCOMs: CV or NAF/CC

7.6.1.1. The authorized requester forwards a copy of the MFR to the individual's security manager.

7.6.1.2. The authorized requester and the unit keep the MFR until the CAVS shows a final security clearance.

7.6.2. FOAs: parent 2-Ltr or SAF/AA or AF/CVA if the parent 2-Ltr is not at the appropriate grade level

7.6.3. DRUs: AF/CVA.

7.6.4. HQ USAF:

7.6.4.1. Air Staff: AF/CVA

7.6.4.2. Secretariate: SAF/AA

7.6.5. Commands will establish internal certifying procedures. The approval documentation will be retained by the Manpower Office for three years and is subject to compliance review by HQ AFIA or their designee. Approval will increase MAJCOM funds withhold for personnel security investigations through the FYDP.

7.6.5. (AFMC) Commanders or Directors must prepare upgrade requests to include a detailed written justification based on mission requirement and an estimated completion date for the requirement (the requesting organization is responsible for tracking the completion date and will downgrade the position as required). Upgrade request packages will include the most recent UMD position review and a completed Position Code Upgrade Request Checklist (Attachment 27 (Added)). Requests must be coordinated by the Center Commander and forwarded to AFMC/CS, 4375 Chidlaw Road, Wright-Patterson AFB OH 45433-5001.

7.6.5.1. (Added-AFMC) Authorized requester will include HQ AFMC/A7S as a coordination block on the Staff Summary Sheet that accompanies the additional/new/upgrade SSBI request. HQ AFMC/A7S will coordinate prior to AFMC/CV approval.

7.6.5.1.1. (Added-HILLAFB) Unit commander/SM must follow AFI 31-501, Attachment 27, *Position Code-Upgrade Request Submissions*, when requesting mandatory Approval Authority for Additional/New/Upgrade of SSB investigation, to include a detailed written justification based on mission requirement.

7.7. Periodic Reinvestigations. Periodic Reinvestigations will be kept current for incumbents assigned against positions coded as requiring SSBI and NACLC/ANACI. Also see para [A2.7](#)

7.8. Issuing Security Clearance Eligibility. AFCAF issues security clearance eligibility and enters the determination into JPAS.

7.9. The Joint Personnel Adjudication System (JPAS). JPAS is the Department of Defense (DoD) personnel security clearance and access database. It facilitates personnel security management for the DoD Central Adjudication Facilities (CAF), security managers, and offers both non-SCI and SCI functions. It interfaces with the investigative providers, the personnel systems within the Department thus eliminating manual transactions and expediting the flow of personnel security information to warfighters.

7.9.1. JPAS is the primary source for determining investigative data/status of investigations on individuals in the DoD. JPAS allows communication between the CAFs and its customers. All information in JPAS is unclassified, but must be protected according to the requirements for privacy/sensitive information and For Official Use Only (FOUO) in accordance with AFI 33-332, Air Force Privacy Act Program and DoDR 5400.7/AF Supplement, DoD Freedom of Information Act Program.

7.9.2. JPAS has two applications: The Joint Adjudication Management System (JAMS) and Joint Clearance and Access Verification System (JCAVS)

7.9.2.1. JAMS is for adjudicative personnel only and provides capabilities such as case management/distribution, adjudication decisions, adjudicative history and summary, due process, and future ability for each CAF to electronically access investigative reports from the investigative providers.

7.9.2.1.1. JAMS replaced the Adjudicative Management System (AMS), as used throughout this instruction.

7.9.2.2. JCAVS is for non-SCI and SCI security managers/officers and authorized requesters and provides capabilities such as access indoctrination/debriefing history, incident/issue file reporting, history and management of unit personnel security functions.

7.9.2.2.1. JCAVS replaced Clearance and Access Verification System (CAVS), as used throughout this instruction.

7.9.3. ISPMs determine the number of users and the access levels for each user. Clearance data elements in the JCAVS include the full date and type of investigation and the full date and status of security clearance. The information is invalid when any of these four data elements are incomplete.

7.9.3.1. Use the most current highest level eligibility recorded in the JCAVS when more than one entry appears for an individual.

7.9.3.2. The term “~~DCID~~ 6/4 (formerly DCID 1/14)” means the person has been the subject of a SSBI, has been granted a Top Secret security clearance eligibility, is eligible for SCI access if required for mission essential purposes and may already have SCI access. See AFMAN 14-304.

7.9.3.3. **(Added-HILLAFB)** Access to JPAS will be provided at access level 6 to appointed Unit Security Managers.

7.9.4. The JCAVS will provide the following information:

- 7.9.4.1. An individual's security clearance eligibility level and access level.
- 7.9.4.2. Visit notification.
- 7.9.4.3. Suspension notification.
- 7.9.4.4. SCI indoctrination, nondisclosure statement, and debriefing dates
- 7.9.4.5. Establishment of a SIF.

7.9.5. JCAVS User Levels are as follows:

- 7.9.5.1. Level 2 - SCI security personnel at unified command, DoD agency, military installation or major command/equivalent headquarters. Personnel Security Management (PSM) - Net is determined by the responsible SOIC or designee. (Read and Write Access - SSBI/DCID 6/4 with current SCI Access.)
- 7.9.5.2. Level 3 - SCI security personnel at echelons subordinate to Level 2 at a particular geographic location (installation, base, post, naval vessel). PSM - Net is determined by the responsible SOIC or designee. (Read and Write Access - SSBI/DCID 6/4 with current SCI Access.)
- 7.9.5.3. Level 4 - Non-SCI security personnel at unified command, DoD agency, military department or major command/equivalent headquarters. PSM - Net is determined by the responsible Security Officer or designee. (Read and Write Access - NACLAC/ANACI/Secret Eligibility.)
- 7.9.5.4. Level 5 - Non-SCI security personnel at echelons subordinate to Level 4 at geographic location (installation, base, post, naval vessel). PSM - Net is determined by the responsible Security Officer or designee. (Read and Write Access - NACLAC/ANACI/Secret Eligibility.)
- 7.9.5.5. Level 6 - Unit Security Manager (additional duty) responsible for security functions as determined by responsible senior security official. (Read and Write Access - NACLAC/ANACI/ Secret Eligibility.)
- 7.9.5.6. Level 7 - Non-SCI Entry Control Personnel. Individuals who grant access to installations, buildings, etc. Varies according to organizations. (Read Access - NACLAC/ANACI/Secret Eligibility.)
- 7.9.5.7. Level 8 - SCI Entry Control Personnel. Individuals who grant access to SCIF installations, buildings, etc. Varies according to organizations. (Read Access - SSBI/DCID 6/4 Eligibility.)
- 7.9.5.8. Level 10 - Visitor Management. Level 10 users will have the same view of the JCAVS Personnel Summary as a JCAVS Level 7 User. They will receive Visit Notification when their Security Management Office (SMO) is being notified of a visit. 7.11. Granting Access. Commanders grant access to classified information when a mission essential need exists and only when all of the following prerequisites are met: (1) individual has the appropriate security clearance eligibility; (2) individual has signed an SF 312 (see AFI 31-401); and (3) individual has a need-to-know. Authorized base level users will record access in the JCAVS. See **Chapter 3** for other situations when access to classified information may be granted.

7.12. Obtaining Information from the AFCAF.

7.12.1. Authorized requesters may contact the AFCAF Customer Support Section through JPAS. In situations where no security clearance data is available at the unit, no information is available in the JCAVS, and the AFCAF has valid security clearance information on file, a record of the call will be used as evidence of valid clearance data pending update of the JCAVS. The authorized requester prepares a memorandum for record (MFR) showing: (1) name, grade, and organization of the individual calling the AFCAF; (2) name, grade, organization, and SSN of the subject; (3) name of person at the AFCAF providing clearance eligibility data, and (4) type and date of investigation and, if granted, level and date of security clearance eligibility. Also see para **6.1**

7.12.1.1. The authorized requester forwards a copy of the MFR to the individual's security manager.

7.12.1.1.1. **(Added-HILLAFB)** 75 ABW/IPP is the authorized liaison to the AFCAF. No one else is permitted or authorized to contact this agency.

7.12.1.1.2. **(Added-HILLAFB)** 75 ABW/IPP will only release information concerning personnel security investigations to commander, director, staff agency chief, point of contact (POC), or appointed unit security manager.

7.12.1.2. The authorized requester and the security manager keep the MFR until JCAVS is updated to show the data addressed in the MFR.

Chapter 8

UNFAVORABLE ADMINISTRATIVE ACTIONS

8.1. Referral for Action.

8.1.1. Security Information File (SIF). A SIF is a collection of documents generated as a result of the discovery or development of unfavorable information which brings into question a person's continuing eligibility for a security clearance or access to SCI. It may be established by a commander, civilian equivalent, or by the CAF. The SIF serves as a repository for unfavorable or derogatory information that requires further review, evaluation, or investigation to resolve outstanding administrative or adjudicative concerns. Report administrative change of status information for individuals with SCI access according to AFMAN 14-304.

8.1.2. Reporting Government Charge Card Abuses and Misuse. Security Officials, AFOSI, or AF Government Charge Card program coordinators are required to immediately report Government Charge Card abuses and misuses to the appropriate commander. This information constitutes serious questions as to the individual's ability or intent to protect classified information or execute sensitive duties. The commander will make an immediate determination to either leave the individual's security status unchanged or suspend their access to classified information or assignment to sensitive duties until the appropriate authority makes a final determination regarding the individual's eligibility to retain a security clearance. In addition, commanders may take action in accordance with **Chapter 8**, to determine if a SIF should be established and/or the person's access to classified information should be suspended.

8.1.3. Implementation of Restrictions on the Granting or Renewal of Security Clearances as Mandated by the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 – Smith Amendment. [Attachment 24](#) outlines the instructions.

8.2. Suspension.

8.2.1. Commander:

8.2.1.1. Reviews unfavorable information on individuals under the commander's jurisdiction when reported or developed which would directly impact an individual's security clearance or SCI access, to include the following (see [Attachment 11](#) for sample memorandum):

8.2.1.1.1. Activities' tenant or geographically separated units.

8.2.1.1.2. TDY personnel.

8.2.1.2. Establishes a SIF when an individual's activity, conduct or behavior is inconsistent with the security criteria specified in DOD 5200.2-R, para 2-200 and Appendix I. See [Attachment 12](#) for sample request for SIF establishment to the servicing security activity.

8.2.1.2. (AFMC) Establish a Security Information File (SIF) when an individual's activity, conduct or behavior is inconsistent with the security criteria specified in DoD 5200.2-R, Para 2-200 and the Stephen J. Hadley, Assistant to the President for National

Security Affairs Memo, 29 December 2005, Tab A, Revised Adjudicative Guidelines for Determining Eligibility for Access to Classified Information.

8.2.1.3. Determines whether or not to establish a SIF on a case by case basis, normally within 20 days of receipt of unfavorable information (as soon as possible if SCI access is involved). This decision is made by considering the seriousness of the incident; the individual's motivation; whether it was out of character for the individual; or whether the undesirable conduct or behavior is likely to continue. Coordination and consultation with the chief of the servicing security activity, SSO (for SCI access) or program security officer (for SAP access) and legal representatives is recommended. However, if the commander has sufficient reason to doubt the validity of unfavorable information the decision to establish a SIF and notification to the CAF may be extended up to 45 days. If the servicing security activity and the commander disagree on establishment of a SIF, elevate the issue to the installation commander for resolution. Once a SIF is formally established it must be processed accordingly and only the CAF has closure authority.

8.2.1.3.1. Examples of reasons to establish a SIF are outlined in para 2-200, DOD 5200.2-R and include the following:

8.2.1.3.1.1. Refusal to sign a required SF 312 or other nondisclosure agreement.

8.2.1.3.1.2. Refusal or intentional failure of an individual requiring an investigation or periodic reinvestigation to provide the personnel security questionnaire information or release statements for review of medical, financial, or employment records.

8.2.1.3.1.3. Refusal by an individual to be interviewed in connection with a personnel security investigation, regardless of whether the information is requested by the investigative agency or the CAF.

8.2.1.3.1.4. Incidents of theft, embezzlement, child or spouse abuse, unauthorized sale or use of firearms, explosives, or dangerous weapons, or misuse or improper disposition of government property or other unlawful activities.

8.2.1.3.1.5. Information leading to permanent decertification from PRP for other than physical reasons.

8.2.1.3.1.6. **(Added-HILLAFB)** Unit commanders/staff agency chiefs will have 20 days from receipt of unfavorable information to determine whether to establish a Security Information File (SIF). Commanders must notify 75 ABW/IPP in writing whenever they believe sufficient reason exists to delay establishment of a SIF for 45 days.

8.2.1.3.2. The following are some examples of reasons that may not warrant establishment of a SIF:

8.2.1.3.2.1. Minor traffic violations.

8.2.1.3.2.2. Minor one-time alcohol related incident.

8.2.1.3.2.3. Permanent decertification from PRP related to medical reasons of a physical nature.

8.2.1.3.2.4. Disciplinary issues; such as failure to repair; poor duty performance;

failure to maintain weight standards; and any single isolated incident of poor judgment based on immaturity or extenuating circumstances which does not impact on the individual's ability to safeguard classified information.

8.2.1.3.2.5. Federal civilian employees occupying nonsensitive positions.

8.2.1.3.2.6. Incidents where a SIF has already been established by the CAF based on the same unfavorable information.

8.2.1.4. Determines whether or not to initiate suspension action for the individual's access to classified information upon establishment of a SIF. If the decision is to suspend the person's access to classified information the same decision automatically applies to the SCI and SAP access. The access to classified information and SCI is considered one under the new DOD personnel security common adjudicative guidelines. Additionally, the commander determines suspension of unescorted entry to restricted areas if applicable. The determination to suspend should be based on a thorough review of the facts and an assessment of the risk to national security. For SCI access see AFMAN 14-304 and DOD S-5105.21-M-1, *Sensitive Compartmented Information Administrative Manual*.

8.2.1.4.1. **(Added-AFMC)** Commanders/staff agency chiefs record suspension of an individual's access or unescorted entry to restricted areas on an AF Form 2587, Security Termination Statement, and send to the servicing ISPM for inclusion in the individual's SIF.

8.2.1.4.1. **(HILLAFB)** Unit SM must update JPAS Person Summary Sheet under the "Debrief" link in the "Available Actions" block with date subject signed the AF Form 2587, *Security Termination Statement*, and provide reason why debriefed using the drop down list.

8.2.1.5. Notifies the individual accordingly with information copy to the servicing security activity. See [Attachment 13](#) and [Attachment 14](#) for sample memorandums.

8.2.1.6. Requests AFOSI investigation, if criminal activity is involved.

8.2.1.7. Includes a recommendation whether to grant, reinstate, deny, or revoke the individual's security clearance and or SCI/SAP access and the rationale for the decision in the completed SIF. The documented facts must fully support the recommendation. Refer to DOD 5200.2-R, Appendix I, Adjudicative Guidelines.

8.2.1.8. Requests the CAF to *immediately* close a SIF favorably via priority message (through the MAJCOM or activity SSO for SCI) when special circumstances exist (i.e., individual was falsely accused or holds a special expertise that is essential for mission accomplishment). The commander provides the CAF with the SIF (if not already at the CAF) and full justification for favorable closure. The CAF will then make the security clearance determination or request additional information, if necessary.

8.2.1.8.1. **(Added-HILLAFB)** The Chief of Information Protection is the Installation Commander's designee for requesting immediate favorable closure of a SIF.

8.2.1.9. Endorses requests by Chief of Servicing Security Activity (SF), SSO, and Program Security Officer (PSO) for evaluations and relevant documentation from on base activities when issues warrant such coordination.

8.2.1.10. **(Added-HILLAFB)** Unit SM/supervisor will debrief all individuals who have access to classified information whose clearance has been suspended or placed in pending adjudication status by the AFCAF. Send the original signed AF Form 2587, *Security Termination Statement*, to 75 ABW/IPP when commander or staff agency chief has established a local SIF.

8.2.2. Chief of Servicing Security Activity, SSO, and PSO:

8.2.2.1. Provides guidance to commanders on SIF establishment. SF is OPR for Top Secret and Secret security clearance SIFs; SSO is OPR for SCI access SIFs.

8.2.2.2. Establishes, processes, maintains, monitors SIFs for commanders. See [Attachment 15](#) for sample memorandum for notification to the commander of SIF establishment. See **Attachment 16** for sample SIF custodian checklist.

8.2.2.3. Provides initial notification to the CAF upon SIF establishment via message or CAVS within 10 days. Provide full name, SSAN, security clearance data, date SIF established, reason, and if access to classified information and SCI has been suspended or withdrawn. If the individual has or is being processed for SCI access, forward the notification to the CAF through the MAJCOM or activity SSO. Notify the CAF via memorandum when the individual will be permitted to continue access to classified information and SCI access. See [Attachment 17](#) for sample memorandum. Notify the CAF via memorandum when the individual's access is withdrawn. Process SIFs concerning SCI access according to AFMAN 14-304. If SCI access is involved, the SSO is responsible for managing the SIF in its entirety to include actions required for the security clearance. SF, SSO, and PSO exchange notification information and coordinate actions with each other. Additionally, notify the CAF when:

8.2.2.3.1. Unfavorable information results in a discharge, retirement, or separation. Forward a copy of the discharge or separation orders or a copy of the SF 50B3PT, Notification of Personnel Action, plus any additional unfavorable information used in these actions. If discharge is involved and the individual is or has been indoctrinated for SCI in the past three years, see AFMAN 14-304 for discharge for cause procedures.

8.2.2.3.1.1. **(Added-HILLAFB)** The unit commander/supervisor must immediately notify 75 ABW/IPP of retirements, projected departure, or transfer of individuals with a SIF by providing a copy of the applicable order/personnel actions.

8.2.2.3.2. An adverse discharge is overturned and the individual returns to active duty.

8.2.2.4. Notifies the Installation Commander when SIFs are established. See [Attachment 18](#) for sample memorandum.

8.2.2.4.1. **(Added-HILLAFB)** The Chief of Information Protection is the Installation Commander's POC when SIFs are established.

8.2.2.5. Requests evaluations and relevant documentation from the following activities when the issue involved indicates coordination is appropriate (see [Attachment 19](#)):

8.2.2.5.1. Director of Personnel. For any Unfavorable Information Files (UIF), performance report summaries, suitability determinations, and personnel actions.

8.2.2.5.1. (AFMC) Employment suitability determinations, including suitability determinations initiated by the AFCAF, are required as part of SIFs for civilian employees. Commanders or staff agency chiefs are responsible for these determinations with the assistance of the Civilian Personnel Flight (CPF).

8.2.2.5.2. Security Forces. For any criminal activities or other pertinent data regarding the subject's police record, involvement in previous compromises or security incidents.

8.2.2.5.3. Judge Advocate. For any court proceedings or nonjudicial punishment if legally supportable by nature of individual's actions. For suitability determinations and legal advice, when needed.

8.2.2.5.4. Surgeon General. For any physical, mental, or emotional evaluation that may affect the subject's ability to protect classified information.

8.2.2.5.5. Mental Health Clinic. For any reports of involvement, previous or present, with alcohol or dangerous drugs which may indicate security weakness.

8.2.2.6. Forwards SIF to the gaining servicing security activity or SSO when an individual transfers to another assignment. See [Attachment 20](#) for sample memorandum.

8.2.2.7. Forwards completed SIF, with required documentation, to the CAF for closure within 120 days. See [Attachment 21](#) for sample memorandum. If SCI access is involved forward the SIF through the MAJCOM or activity SSO to the CAF. See AFMAN 14-304 and DOD S-5105.21-M-1 for SCI guidance. Refer to DOD 5200.2-R, Chapter 8-102d regarding suspension cases over 180 days. Use first class mail in accordance with DODM 4525-8AFSUP1, *Official Mail Manual*.

8.2.2.7.1. (Added-HILLAFB) All completed AFCAF Suitability files with required documentation must be forwarded to the AFCAF NLT the 60 day established suspense. If an extension is required, the commander or staff agency chief must provide the request in writing to 75 ABW/IPP 7 days prior to the suspense date. Up to two consecutive 30-day extensions may be requested. All completed Suitability files are to be closed within 120 days of establishment.

8.2.2.7.2. (Added-HILLAFB) The unit commander or POC must provide written status updates on local established SIFs to 75 ABW/IPP at 60-day intervals. This is accomplished regardless of whether any action has been taken since the last update or establishment of the SIF. All SIFs are to be closed within 120 days of establishment.

8.2.2.8. Contacts the CAF for an extension if SIF cannot be closed in 120 days.

8.2.2.9. Ensures all supporting documentation is included prior to submitting to the CAF. The commander's recommendation and rationale for the final decision must also be included. The following are examples of the types of required documentation relevant to the issue:

- 8.2.2.9.1. PSIs conducted by DSS, OPM, or similar agencies.
 - 8.2.2.9.2. AFOSI reports of investigation, civil, police, or child advocacy reports.
 - 8.2.2.9.3. Security forces incident or complaint reports and SSO reports.
 - 8.2.2.9.4. Summaries of facts to substantiate any unfavorable information not covered by one of the investigative sources above. Include a complete reference to the source of the information.
 - 8.2.2.9.5. Summaries of UIF entries.
 - 8.2.2.9.6. Medical or mental health evaluations which indicate impairment of the individual's judgment or reliability. The report of evaluation must contain a diagnosis, its effect on the individual's judgment or reliability and prognosis along with any additional instructions or restrictions on the use of the information by appropriate medical authority.
 - 8.2.2.9.7. Summaries of actions by Mental Health Clinics, such as, when individual was enrolled in the program; why the person was enrolled; how the program personnel categorized the individual's situation; a diagnosis and Mental Health authorities recommendations regarding subject's ability to safeguard classified information.
 - 8.2.2.9.8. Reports showing the date of successful completion of a rehabilitation program, progress in a rehabilitation program, or the date termed a rehabilitative failure.
 - 8.2.2.9.9. Summaries or actual report of administrative or disciplinary actions to include records of counseling, letters of reprimand, Article 15, Uniform Code of Military Justice (UCMJ), or courts-martial orders, bankruptcy petitions, discharge orders, or copies of letters of indebtedness.
 - 8.2.2.9.10. Orders or written notification advising the status and location of individuals placed in retraining, on appellate leave, or rehabilitation or confinement status.
 - 8.2.2.9.11. Reports relating to the withdrawal of access, including special access programs, unescorted entry, or decertification from PRP.
 - 8.2.2.9.12. **(Added-HILLAFB)** Process all SIF correspondence through 75 ABW/IPP.
 - 8.2.2.10. Forwards to the CAF within 60 days all SIFs returned from the CAF as incomplete. Requests an extension in writing to the CAF if an incomplete SIF cannot be completed in 60 days. When the SIF was established by the CAF, return the original case file to the CAF.
 - 8.2.2.11. Maintains a suspense copy until the CAF has made the final determination, then destroys the SIF. If the individual had SCI access, destroy six months after accountability of the person ceases or when no longer needed, whichever is longer.
- 8.2.3. Unit Security Manager:

8.2.3.1. Implements the personnel security program within the organization and provides support to the servicing security activity or SSO.

8.2.4. The CAF:

8.2.4.1. Adjudicates the information contained in the SIF and makes a final security clearance and or SCI access determination.

8.2.4.2. Requests a Special Investigative Inquiry from DSS or a Reimbursable Suitability Investigation from OPM when required in order to make an adjudicative decision.

8.2.4.3. Forwards the notification of eligibility decision to the commander (through the MAJCOM or activity SSO for SCI access) and updates the AMS and DCII with the eligibility determination.

8.2.4.4. Initiates and oversees due process procedures when security clearance eligibility and or access is denied, revoked, or suspended.

8.2.4.5. Returns incomplete SIFs to commanders, through the servicing security activity, with a request for: (1) the required documentation; (2) the commander's recommendation (3) an update on the individual's current situation; and or (4) actions taken, expected, or pending.

8.2.4.6. Establishes SIFs when unfavorable information is provided from other government agencies, court-martial orders, information summary reports from DSS, AFOSI reports of investigation, and notification of special access denial from various access granting authorities. Notifies the commander for further action, when necessary.

8.2.4.6.1. **(Added-HILLAFB)** When a Suitability file has been established by the AFCAF for Dual Citizenship, the SM/POC must utilize the sample letter (*Surrender of Foreign Passport and Declaration of US Citizenship*) found in the Personnel Security (PERSEC) Sample Handbook. The sample letter applies only when the individual has become a U.S. citizen. 75 ABW/IPP will forward the letter to the AFCAF requesting investigation be up-scoped for clearance eligibility based on the last investigation.

8.3. Air Force Office of Special Investigations. AFOSI conducts personnel security investigation leads in overseas areas for DSS. All Air Force commanders must report to AFOSI any alleged criminal activity falling under the security standards criteria. A table of offenses by case category that AFOSI investigates is available in AFI 71- 101, Volume I, *Criminal Investigations*.

8.4. Final Unfavorable Administrative Actions.

8.4.1. The CAF is the designated authority to make personnel security determinations that can result in an unfavorable administrative action. Commanders take actions for removal due to unsuitability IAW 5 CFR 731.201-202, Suitability for Government Employment, at the same time as actions are being taken for denial or revocation of a person's security clearance. The unfavorable administrative action on civilian personnel may not include any reference to security clearance issues until the results of the final security adjudication are available.

8.5. Procedures.

8.5.1. General. The CAF will make a final personnel security determination resulting in an unfavorable clearance action on an Air Force member, civilian employee, contractor (for SCI), or any other Air Force affiliated person when the individual concerned has been afforded due process procedures according to this AFI and DOD 5200.2-R. These same due process procedures are also applicable for suspension, denial, or revocation of access to SCI. There is no distinction between a security clearance and SCI access in the adjudication process. If a clearance is revoked or denied, SCI access is also revoked or denied. The CAF will notify individuals concerning unfavorable administrative actions using the instructions in this AFI and DOD 5200.2-R. Although SAP access is also revoked or denied when a clearance is revoked or denied, administrative recourse (appeal) procedures are separate and distinct. See AFI 16-702, *The Appeal Board (for Special Access Programs)*.

8.5.2. The Air Force is not authorized to make any adverse security clearance determination on a civilian employee occupying a nonsensitive position. Since such positions do not involve sensitive duties or access to classified information, the provisions of the personnel security program regarding security clearance eligibility do not apply.

8.5.3. Confinement. When it is determined that an applicant for a security clearance, or a person holding a clearance, has been convicted of a crime and sentenced to imprisonment for more than one year, the clearance of such person shall be denied or revoked with the following actions taken by the CAF:

8.5.3.1. Verification that the individual is presently imprisoned, serving a term of more than 12 months.

8.5.3.2. A Notice of Revocation or Denial of Security Clearance Eligibility forwarded through the Servicing Security Activity and SSO (for SCI) to the individual and the commander. The Notice is final and no rebuttal privileges or appeal rights are applicable.

8.5.3.3. The revocation or denial action is entered in DCII and AMS.

8.6. Unfavorable Administrative Action Procedures.

8.6.1. Denial Authority. The CAF provides individuals with written statements of reasons and other required documentation stating intent to deny or revoke their security clearances and SCI access using sample format in DOD 5200.2-R, App L and Atch 11.

8.6.2. Instructions. Individuals may appeal unfavorable administrative actions according to the instructions in this AFI, DOD 5200.2-R, Chapter 8, and Appendix L and M. Individuals send communications to the CAF and the local supporting Staff Judge Advocate (SJA) through their commanders.

8.6.2. (AFMC) Submit appeals through the servicing ISPM.

8.6.2.1. (Added-HILLAFB) SM submits all denial and revocation appeals through 75 ABW/IPP.

8.6.3. Designated Point of Contact (POC). Unit commanders will designate a POC to serve as a liaison between the CAF and individuals under their jurisdiction when unfavorable administrative actions are being taken. POCs conduct the associated duties as outlined in DOD 5200.2-R, Appendix L-2. The CAF will send communications to the individual through the commander, SF, and SSO (for SCI). The supporting SJA will provide the Defense Office

of Hearings and Appeals (DOHA) Administrative Judge (AJ) appropriate legal support, upon request.

8.6.4. Individual's Response to the CAF. Individuals must advise the CAF in writing of their intent to respond to the statements of reasons. This must be done within ten days of receipt of the statement of reasons. Individuals state whether they intend to submit statements or documents to refute, correct, or mitigate the intended actions. Within 60 days from the date of receipt of statements of reasons, individuals must provide the CAF with their written rebuttals.

8.6.4. (AFMC) Submit response to the AFCAF through the servicing ISPM.

8.6.4.1. (Added-HILLAFB) SM submits all SIF/Statement of Reasons correspondence to the AFCAF through 75 ABW/IPP.

8.6.5. Extensions. Extensions may only be granted by the CAF. A written request for an extension for up to 30 days can be submitted to the CAF through the POC and installation or unit commander.

8.6.6. CAF Review of Individual's Response to the Statement of Reasons. Upon receipt of the rebuttal, the CAF will determine whether a security clearance should be reinstated, revoked, or denied and a final response will be provided to the individual. This must be done within 60 days from the date of receipt of the individual's response. If a final response cannot be completed within 60 days, the individual must be notified in writing of this fact, the reasons, and the date a final response is expected. AMS will be updated to reflect the CAF decision.

8.6.7. CAF Decision to Deny or Revoke. If the CAF decision is to deny or revoke a person's security clearance the reasons for the final action will be included in a Letter of Denial/Revocation to the individual. Individuals will be afforded an opportunity to appeal to a letter of denial/revocation through the Personnel Security Appeal Board (PSAB) by *one* of two methods as outlined in this section and DOD 5200.2-R: (1) appeal *without* a personal appearance; or (2) appeal *with* a personal appearance before an Administrative Judge (AJ) from DOHA. Individuals must elect either (1) or (2); individuals may not do both. The CAF will process appeal cases as outlined in DOD 5200.2-R, Appendix L and Atch 11.

8.6.7.1. Appeal Without a Personal Appearance. Individuals directly notify the PSAB of their intent to appeal without a personal appearance within 10 days of receipt of the letter of denial/ revocation. Address requests to: President, Personnel Security Appeal Board, NAIC/IAN, 5113 Leesburg Pike, Falls Church, VA 22041-3230. Individuals send their appeals to the President of the PSAB within 40 days of receipt of the letter of denial/revocation.

8.6.7.2. Appeal With a Personal Appearance. Individuals include the name and telephone number of the supporting SJA when requesting a personal appearance from DOHA (see [Attachment 13](#)). The POC will provide this information to the individual. DOHA initially contacts the SJA for support with the appeal proceedings. Individuals advise DOHA in writing of their desire for a personal appearance within 10 days of receipt of the letters of denial/revocation. Copies of these advisement's are provided to the following: the POC, the supporting SJA, and the CAF. The SJA will coordinate with the DOHA AJ to assist in providing legal support, upon request and will advise on legal

matters to the commander and the POC. The CAF will provide the individual's case file to DOHA within 10 days upon DOHA's request. A DOHA AJ will hear the individual's case and forward the file, transcripts, any documentation obtained from the individual, and a recommendation to sustain or overturn the letter of denial/revocation to the PSAB. The deadline for this is 30 days after the personal appearance. The AJ provides the CAF with a copy of the recommendation.

8.6.7.2.1. Within CONUS personal appearances will be conducted at the individual's duty station or at a nearby location for duty stations within the lower 48 states. For personnel assigned OCONUS, the appearances will be conducted at: (1) the individual's duty station or a nearby suitable location; or (2) at DOHA facilities located in the metropolitan area of Washington, DC, or Los Angeles, California. The Director, DOHA or designee determines the appearance location. Travel and TDY costs for the individual will be the responsibility of the employing organization.

8.6.8. Personnel Security Appeal Board (PSAB). The PSAB will review the individuals appeal package, along with DOHA recommendation (if applicable) and notify the individual through the CAF of the board's final decision. See [Attachment 5](#) for additional guidance on the PSAB.

8.7. Security Clearance Reinstatement. An individual's commander may request reinstatement of their security clearance 12 months after the effective date of revocation or denial or decision of the PSAB, whichever is later. Requests should be sent to the CAF with the commander's recommendation for approval. The commander includes an explanation on how the individual's behavior has improved and the appropriate documentation corresponding to the reason(s) for the denial or revocation. The documentation required depends on the reason(s) involved, such as, evaluation for mental health issues, evaluation for drug or alcohol abuse; or current financial statement(s).

8.7. (AFMC) Security Clearance Reinstatement. Submit all requests for reinstatement through the servicing ISPM.

8.7.1. **(Added-HILLAFB)** Unit commander must submit requests for clearance reinstatement through 75 ABW/IPP.

8.8. Special Access Programs. Administrative due process for special access programs is handled separately. See AFI 16-702, *The Appeal Board (for Special Access Programs)*.

8.9. Obtaining Permission to Proceed in Courts-Martial, Administrative Discharges, and Civilian Removal Actions.

8.9.1. Unit commanders contemplating disciplinary or administrative action against military members or civilian employees that could lead to a discharge or removal must first obtain permission to proceed when personnel hold a special access. Do not take action on personnel who now hold or have held access within the periods specified below, to Single Integrated Operational Plan-Extremely Sensitive Information (SIOPEI), SCI, research and development (R&D) special access program, AFOSI special access program, or other special access program information until the appropriate special access program office approves. (Exceptions are for investigative and preliminary administrative procedures until the proposed action has been reviewed and approved by the functional activities having overall ownership for the affected information.) Commanders send a written request to the

appropriate special access program functional office for permission to proceed with further processing as outlined below. Apply security classification according to message contents. The request must include:

8.9.1.1. The individual's name, SSAN, age, marital status, duty assignment, unit assignment, date of separation and length of service of the member.

8.9.1.2. The name of the official who authorized SCI or other special access. Include inclusive dates that the person was given access and the units involved.

8.9.1.3. The specific reason for the proposed ~~for~~ "cause" action. Include the maximum sentence and type of separation, or discharge, or dismissal allowable.

8.9.1.4. The type of separation, discharge, or dismissal contemplated in administrative cases, and the commander's recommended type of discharge certificate to be issued.

8.9.1.5. The type of court-martial, to include a description of offenses, with an outline of proposed charges and specifications; data as to any restraint; and any unusual circumstances which may affect the trial.

8.9.1.6. Comparable data for civilian employees.

8.9.1.7. Any other information bearing on the proposed action.

8.9.2. For SCI access contact the servicing MAJCOM or FOA Senior Intelligence Officer (SIO) for persons having current SCI access, and persons debriefed within the past three years, where damage assessment is considered *minimal*. Contact the servicing Special Security Office (SSO) to determine if the individual had SCI access. Commanders will continue to forward "Authority to Proceed" requests, where disclosure could result in *serious* damage, to SSO HQ USAF/INSD for AF Director of Intelligence, Surveillance and Reconnaissance (HQ USAF/XOI) approval. Send the request as a Defense Special Security Communications System (DSSCS) message through the SSO to the MAJCOM or FOA SIO and to SSO HQ USAF/INSD. See AFMAN 14-304 for detailed instructions on how to prepare the DSSCS message.

8.9.3. For SIOP-ESI access. Refer to AFI 10-1102, Safeguarding the Single Integrated Operational Plan (SIOP).

8.9.4. For R&D access contact SAF/AQL for persons having current access to R&D special access programs and persons debriefed within the past year.

8.9.5. For persons who have had a duty assignment with AFOSI and have held an AFOSI special access contact HQ AFOSI/IVO. The personnel records will reflect AFOSI employment or assignment. Commanders contact the local AFOSI detachment commander or HQ AFOSI/IVO to determine if the person held an AFOSI special access.

8.9.6. For multiple accesses, commanders must obtain separate authorizations from each appropriate action agency listed above prior to proceeding.

8.9.7. Processing goals at all command levels must comply with the speedy trial requirement and the potentially more restrictive time requirements in civilian removal actions. Normally, the processing time period should be concluded within 15 days; measured from the date of initiation request, to the date of approval; or denial by the OPR. Voluntary separations of airmen, officers, and civilian resignations will not be handled under these procedures unless

they are in lieu of adverse action. For voluntary separations that are in lieu of adverse action, do not allow the separation authority to approve the separation until the appropriate action office grants authority to proceed.

8.9.8. If a commander contemplates a general or special court-martial, processing of the case may proceed through preferral of charges and completion of the investigation required by Article 32, UCMJ together with collateral actions required under Article 32. Under no circumstances may the charges be referred to trial until the appropriate action office grants authority to proceed. Actions required by this paragraph do not apply to summary court-martials.

8.9.9. If a commander contemplates discharging an enlisted member, processing of a "notification" case or a board hearing entitlement may proceed through giving the member notice of the proposed discharge, obtaining the member's response, scheduling necessary appointments, and conducting those appointments. Under no circumstances may the discharge be "approved" by the separation authority until the appropriate action office grants authority to proceed. For board hearing cases, the processing may proceed through initiation of the case, obtaining the member's response, scheduling necessary appointments, and conducting those appointments. Under no circumstances may the convening authority order the board to be convened to hear the case until the appropriate action office grants authority to proceed.

8.9.10. If a commander or staff agency chief contemplates discharging an officer, the show cause authority may not initiate the discharge, issue the show cause memorandum, or otherwise require officers to show cause for retention until the appropriate action office grants authority to proceed.

8.9.11. If a supervisor contemplates removal action against a civilian employee who holds special access, the supervisor must first coordinate with the servicing CPF. The commander of the unit to which the civilian is assigned will then forward a message to the appropriate Air Force OPR. Under no circumstances may a "notice of proposed removal" be issued until the Air Force OPR grants authority to proceed.

8.9.12. Periodic reporting by the unit commanders should advise the parent MAJCOM and decision authority of any changes to the proposed action every 90 days until the action has been completed. If the nature of the case changes significantly (for example, from discharge to court martial or from voluntary to involuntary discharge), the unit commander should notify the decision authority and seek further instruction. Unit commanders should transmit a final report when the adverse action has been completed. In the final report, include date and place of discharge. If a SIF has been established on the individual, the commander will notify the CAF of the discharge, and request closure of the SIF.

8.9.13. Decision authorities submit an annual report of completed cases showing the number of cases considered, number of approvals and disapprovals, and number pending as of the end of the fiscal year to SAF/AAZ, 1720 Air Force Pentagon, Washington DC 203301720. For SCI: Quarterly Reporting Requirement (Jan/Apr/Jul/Oct): MAJCOM and FOA SIOs will submit quarterly reports to 497 IG/ INSD (SSO), 229 Brookley Ave, Bolling AFB DC 20332-7040. For case management and control purposes include in the reports (1) name, grade, SSAN, organization; (2) reason for action (drug abuse, minor disciplinary infraction, etc); (3) proposed action (type discharge or court martial); (4) date authority to proceed given

by SIO; and (5) current disposition (indicate whether case is open or closed). If closed, show type and date of discharge.

9.1.1.2.1. **(Added-HILLAFB)** Send all derogatory information to 75 ABW/IPP. For sensitive compartmented information (SCI) indoctrinated personnel, send a copy to the applicable SCI Special Security Office (SSO).

9.2. Supervisory Responsibility. Supervisors do not review the security forms of anyone undergoing a periodic reinvestigation. Supervisory knowledge of any significant adverse information is to be independent of the information reflected on the security form.

9.3. Initial Briefings and Refresher Briefings. Commanders, supervisors, and or security managers provide initial and refresher briefings to individuals with security clearance eligibility to ensure they are knowledgeable to execute security responsibilities tailored to the specific job requirements. These briefings will emphasize the individual's responsibility to meet the standards and criteria for a security clearance as stated in DOD 5200.2-R.

9.3.1. **(Added-HILLAFB)** Unit SMs must develop initial and refresher briefings tailored to their unit's operations, including local procedures. Unit SMs must maintain documentation of initial and refresher briefings conducted as outlined in DoD 5200.2-R, *Personnel Security Program Regulation*.

supervisor contacts with individuals of any nationality, whether within or outside the scope of the employee's official activities, when: illegal or unauthorized access is sought to classified or otherwise sensitive information; or the individual is concerned that they may be the target of exploitation by a foreign entity. SM must report all suspicious contacts to HAFB AFOSI who will then provide guidance.

9.5. Termination Briefing. Security Managers execute AF 2587, **Security Termination Statement** according to AFI 31-401.

Chapter 10

SAFEGUARDING PERSONNEL SECURITY INVESTIGATIVE RECORDS

The CAF will approve release of completed reports of investigation to appropriate officials for mission essential needs, such as public trust determinations, suitability determinations and appeal decisions. These reports will be safeguarded according to DOD 5200.2-R, Chapter X and not released further without permission from the CAF. HQ AFOSI may request investigations from DSS.

10.2.2. See AFI 33-332, *Air Force Privacy Act Program* and DOD 5400.7-R/AF Supplement AFI 37-131, *Freedom of Information Act Program*.

10.3. Safeguarding Procedures. Officials authorized to receive completed investigation reports ensure the appropriate safeguarding measures are in place in accordance with DOD 5200.2-R, Chapter X.

Check personnel records to confirm other data, such as employment or military service as listed on SF Form 86, when necessary. Persons designated to sign Item 14 of the form must take or confirm these actions. Enter results of these reviews in Section VII.
5. Note that this authority may be delegated to other medical staff personnel who may review medical records and form professional opinions based on the information being evaluated. If no medical records are on file (as for many civil service employees) annotate the form to that effect.

The DD Form 1879 then shows no local medical records were checked and DSS agents check the records.

6. Review the records of the security clearance function and reports and analysis section. If a SIF exists, deny the requested personnel security action pending completion of adjudication actions. In these cases, also enter in Section VII that a SIF exists. Also, review the remarks section for any other derogatory information reported and evaluate the need to establish a SIF for further adjudication. Enter results of this evaluation in Section VII.

7. Annotate Section VII to reflect what document was used to verify citizenship status.

Attachment 24**SMITH AMENDMENT**

A24.1. Implementation of the Section 1071 of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001, which amended Title 10, United States Code, to add a new section that precludes the initial granting or renewal of a security clearance by the DoD under four specific circumstances as outlined below.

A24.1.1. Provision (1) disqualifies persons with convictions in both State and Federal courts, including UCMJ offenses, with sentences imposed of more than one year, regardless of the amount of time actually served.

A24.1.2. Provision (2) does not change the substance of the existing adjudication guideline relative to current drug involvement. Anyone who is currently an unlawful user of, or addicted to, a controlled substance.

A24.1.3. Provision (3) does not change the substance of the adjudication guidelines for emotional, mental, or personality disorders. Anyone who is found to be mentally incompetent (incapable of safeguarding classified information) by a credentialed mental health professional approved by DoD.

A24.1.4. Provision (4) disqualifies persons who have been discharged or dismissed from the Armed Forces under dishonorable conditions.

A24.2. Secretary of the Air Force may authorize a waiver in meritorious cases under provisions (1) & (4). Waiver authority is not delegable.

A24.3. Provision (2) & (3) disqualifies a person for eligibility for a security clearance and may not be waived.

A24.4. Individuals that fall under the categories (1) through (4) will be afforded applicable due process and appeal opportunity IAW the DoD 5200.2-R, Personnel Security Program and this instruction.

A24.5. When AFCAF issues a final statement of reasons to deny or revoke a security clearance in cases where a waiver is allowed (provisions 1 and 4) the subject will be informed of the waiver provision, provided a copy of the statute and other information on how to respond. The subject must include in the response to the statement of reasons if they want to be considered for a waiver, if applicable.

A24.6. Decision process for determining whether a particular case warrants a meritorious waiver:

A24.6.1. The AFCAF is the first level nominating office and determines if the case warrants a meritorious waiver under the provisions of the statute. If approved, the case is forwarded with the proposed request for waiver and full justification to the Air Force Personnel Security Appeal Board (PSAB) for review.

A24.6.2. If the PSAB determines the case has meritorious justification, the case summary is returned to the AFCAF for forwarding to SAF/AA.

A24.6.2.1. SAF/AA may disapprove the waiver request or forward it to the SECAF with recommendation for approval. Both the SAF/AA and SECAF decisions are final.

A24.7. AFCAF will provide quarterly summaries to SAF/AA by the 10th of each month following the end of each calendar quarter of all waivers submitted to SECAF. SAF/AA provides report to USD/I by the 15th.

A24.8. The statute policy applies to:

A24.8.1. All initial determinations to grant security clearance eligibility or access and determinations to continue clearance eligibility/accesses following a reinvestigation.

A24.8.2. Existing clearances eligibility or access which a previous or other investigation reveals a previous favorably resolved issue involving one or more of the four statutory provisions, regardless of the presence or absence of subsequent disqualifying issues;

A24.8.3. Previous and follow-on periodic reinvestigations and other investigations initiated for other reasons; such as:

A24.8.3.1. Security Information File, Special Investigation Inquiry, etc., and all pending cases in which a final decision had not been issued as of 7 Jun 01.

A24.9. The statute policies do not apply to:

A24.9.1. Conversions/transfers/reinstatements of current DoD security clearances, including transfers of clearances of employees within the DoD, clearances of employees who fall under the National Industrial Security Program, and transfers of clearances to the DoD of employees coming from other Federal agencies.

1.3. Definitions. See **Attachment 1** for additional definitions. For purposes of this AFI the term –Commander” means: Commanders or equivalent and staff agency chiefs.

2.4. Types and Scope of Personnel Security Investigations. The scope of each type of personnel security investigation is listed in DoD 5200.2-R, Appendix B. See [Attachment 2](#) for procedures on requesting personnel security investigations (PSI). See [Attachment 3](#) for guidance on the types of required personnel security investigations and appropriate questionnaire forms and or Electronic Personnel Security Questionnaire (EPSQ) Software.

2.4.1. General. The investigations listed in DoD Regulation 5200.2-R and this instruction are the only PSIs authorized. The Secretary of the Air Force and/or the Under Secretary of Defense, Intelligence must approve raising or lowering the scope of the authorized investigation.

2.5 Authorized Personnel Security Investigation Provider. The Office of Personnel Management (OPM) is the DoD Authorized Personnel Security Investigation Provider.

2.7. Overseas Personnel Security Investigations. AFOSI personnel conduct the overseas portion of personnel security investigations, augmented by Army, Navy, and State Department counterparts.

3.11. Interim Security Clearances. Commanders may grant interim security clearances for access to Top Secret and Secret information when the requirements of DoD 5200.2-R, paragraph 3.401 have been met. Use of local information and the following requirements provide Commanders with the necessary tools to exercise their authority to grant interim security clearances. Also see [Attachment 25](#), [Table A25.1](#), for guidance on the authority level to grant interim security clearance/access to specific programs.

3.11.1. Interim Top Secret security clearances:

3.11.1.1 Favorable ENTNAC, NAC, NACI, NACIC, NACLC, or ANACI completed.

3.11.1.2. Consult the Joint Personnel Adjudication System (JPAS) to determine the existence of a favorable ENTNAC, NAC, NACI, NACIC, NACLC, or ANACI. The investigation is acceptable if there is no break in service over two years.

3.11.1.3. Favorable review of personnel security questionnaire.

3.11.1.4. Favorable review of local personnel records, base and or security force records, medical records, and other security records, as appropriate.

3.11.1.5. SSBI package has been submitted by an Authorized Requester to the investigative agency provider.

3.11.2. Commanders can grant interim Top Secret security clearance if the above provisions have been met.

3.11.3. If there is no record of a completed investigation (NAC portion) in JPAS, contact Air Force Central Adjudication Facility (AFCAF) Customer Support through JPAS to determine if there is a favorable NAC. (Note Optional: Authorized requesters can request —Advanced NAC Results” from OPM on the OPM Agency Use Sheet.)

3.11.4. Interim Secret security clearances:

3.11.4.1. Favorable review of personnel security questionnaire.

3.11.4.2. Favorable review of local personnel records, base and or security forces records, medical records, and other security records, as appropriate.

3.11.4.3. NACLIC or ANACI has been submitted by an Authorized Requester to an investigative agency provider.

3.11.5. Interim security clearances must be documented in JPAS or in writing if JPAS is unavailable, until the final security clearance eligibility is granted by the AFCAF.

3.11.6. For Civilians:

3.11.6.1. Consult JPAS on a newly hired civilian for a previous security clearance/personnel security investigation to determine if a previous security clearance was held as a former military member (without a break in service of two years) or if a security clearance as either an Air Reserve Technician or as a traditional reservist was held.

3.11.6.2. Pending completion of ANACIs or SSBIs, as appropriate, civilians may occupy non-critical sensitive or critical sensitive positions. Commanders prepare a waiver of pre-employment investigation requirements when such action is necessary and in the national interest. Interim security clearance may not be granted until after the commander signs the waiver memorandum.

3.11.7. JPAS is the source for determining investigative status on pending investigations. Also see para [7.9](#).

3.28. Periodic Reinvestigations (PR). PRs are required every 5 years for Top Secret and 10 years for Secret. Authorized requesters submit requests for reinvestigations to the DoD Authorized Investigation Provider as outlined in [A2.2.2.1](#). See AFI 31-406, Applying North Atlantic Treaty Organization (NATO) Protection Standards, for submission of PRs for NATO investigations.

3.29. Explosive Ordnance Disposal (EOD). Although such personnel normally only require a Secret clearance, an SSBI is initially required due to training and assignments involving nuclear weapons. Persons occupying an EOD position shall undergo a Secret PR on a five year recurring basis.

5.2. Authorized Requesters.

5.2.1. MAJCOM, field operating agency (FOA), or direct reporting unit (DRU) staffs designate authorized requesters to initiate PSIs for their organization. As a general rule, the number of authorized requesters will be kept to the minimum number required to meet mission requirements. See [Attachment 2](#) for request procedures.

5.2.2. Authorized requesters provide the AFCAF with the name, telephone number, and office symbol of individual(s) who may obtain security clearance and or investigative data on individuals within their organization and provide copy to respective MAJCOM. See para [6.1](#) for AFCAF address.

5.2.3. Authorized requesters may query the JCAVS or call the CAF Customer Support Section at DSN 754-1242/43 to determine investigative and/or adjudicative status.

5.2.4. Authorized requesters approve and submit personnel security questionnaires to the DoD Authorized Personnel Investigation Provider according to [Attachment 2](#).

5.5. Priority Requests. The following sensitive programs are authorized priority processing service by OPM:

5.5.1. PRP. In cases where a PRP –C” coded case warrants “Priority” service by OPM, the authorized requester must coordinate the request through channels to AF/XOS-FI. Each authorized requester will maintain a fiscal year (FY) Excel spreadsheet listing for this purpose. The spreadsheet will include all previously coordinated FY priority PSIs and all new requirements the authorized requester is coordinating under this authority. When coordinating new priority cases, forward the entire FY spreadsheet to afxofi.workflow@pentagon.af.mil. AF/XOS-FI will return to the authorized requester for monitoring the completion of the investigation.

5.5.2. SCI. When the NACLC adjudication date is less than 12 months (DCID 6/4, Annex A, para 5), the servicing Authorized Requester will provide the servicing SSO a copy of the completed SF 86 for each SSBI request with an SCI access requirement. This will be done at the same time the request for SSBI/SCI is forwarded to OPM. Security Managers/SSOs/Authorized Requesters will expedite the processing of the SSBI off the installation to OPM and request priority level of service. On the *OPM Agency Use Sheet* annotate 30A in Block A. Also see AFMAN 14-304.

5.7. Dual Citizenship. A security concern could exist when a military member, DoD civilian, contractor, or consultant is submitted for a personnel security investigation and they are a dual citizen and/or possess/ use a foreign passport.

5.7.1. Dual Citizenship. Dual citizenship in and of itself is not an automatic disqualifier for security clearance eligibility. However, possession of dual citizenship and particularly the **exercise** of dual citizenship is a condition that raises a security concern and may be a disqualifying factor in a security clearance eligibility determination. There are factors that could mitigate the maintenance of dual citizenship, as outlined in DoD 5200.2-R, App I, Foreign Preference. An individual’s expressed willingness to renounce dual citizenship is one of the conditions that *could* mitigate security concerns.

5.7.2. Possession or Use of a Foreign Passport. Possession and/or use of a foreign passport in preference to a US passport raises doubt as to whether the person’s allegiance to the US is paramount and could also facilitate foreign travel unverifiable by the US. The security clearance will be denied or revoked, unless the applicant surrenders the foreign passport or obtains official approval for its use from SAF/AA. Requests for approval are forwarded through respective Information Security Program Manager (ISPM) channels to HQ USAF/XOS-FI for processing to SAF/AA. Justification must include what benefit the AF will gain from a person holding a foreign passport. AFCAF will annotate approvals in the remarks field of the JPAS.

5.7.3. Surrendering the Passport. Individuals who indicate they possess a foreign passport in item 15 of the Electronic Personnel Security Questionnaire or item 17d on the Standard Form 86,

–**Questionnaire for National Security Positions,**” will be required to surrender the passport via one of the following methods:

5.7.3.1. Return the passport to the appropriate country embassy or consulate via certified receipt mail. A copy of the transmittal memo forwarding the passport and the return receipt will be forwarded to the AFCAF. See para **6.1.** for AFCAF address. If the name of adjudicator assigned to the case is known, include this in the ATTN line of the address.

5.7.3.2. Destroy the passport as witnessed by an AF security manager. Cut up the passport and place in a burn bag. The witnessing security manager will document the destruction of the passport in an explanatory memorandum, which will be forwarded to the AFCAF and a copy provided to the subject.

5.7.4. Security Clearance Eligibility. In order for individuals who hold foreign passport and dual citizenship to be considered for and/or be granted security clearance eligibility the following must be completed:

5.7.4.1. Provide a written statement expressing their willingness to renounce foreign citizenship claims in favor of a sole United States citizenship status. Actual renouncement is not required.

5.7.4.2. Return and or destroy the passport.

5.7.5. The renouncement statement and documentation of destruction of the passport must be provided to the AFCAF. The AFCAF reviews each case on its own merits to determine security clearance eligibility.

5.7.6. This same guidance will apply if the passport is identified after a security clearance determination is made.

6.1. Central Adjudication Authority. The Air Force Central Adjudication Facility (AFCAF) is the Central Adjudication Authority. Address is: AFCAF/PSA, 229 Brookely Ave, Bolling AFB 20032.

6.1.1. The policy and criteria set forth in DOD Regulation 5200.2-R, paragraph 2-200, 6-102 and Appendix I will be applied in making personnel security determinations for a security clearance or assignment to sensitive duties.

6.1.2. Unfavorable adjudication results in the denial/revocation of clearance eligibility (see **Chapter 8**).

6.1.3. The AFCAF will review all investigative products and make an eligibility determination.

6.1.4. AFCAF Customer Service will not release adverse information to inquiring customers on pending investigations, as it invokes privacy act concerns. Derogatory issues are often resolved through completion of the investigation and or adjudication of the case. Premature dissemination of unresolved and or unadjudicated issues could result in discriminatory practices with respect to such areas as employments or assignments.

6.2. Adjudicative Record. Personnel security determinations are reflected in the JPAS. JPAS replaced Sentinel Key (SK) as used throughout AFI 31-501.

7.1. General

7.1.1. The AFCAF is the designated authority to grant, suspend, deny, or revoke personnel security clearances and SCI accesses (see [Chapter 11](#)).

7.2. Investigative Requirements for Coding Positions. Commanders will:

7.2.1. Determine the type of investigation required for mission purposes for each military and civilian position in the organization. Investigations are required for multiple purposes: to determine suitability and/or trustworthiness of individual for employment/assignment to positions of trust/access to certain programs; and for security clearance. Each position is coded with the appropriate position code reflecting the required investigation level in the unit manning document (UMD) and the Defense Civilian Personnel Data System (DCPDS). These will also be reflected in the Headquarters Air Force Manpower Data System (HAF-MDS).

7.2.1.1. Assign one of the five investigation types to each position:

7.2.1.1.1. Single Scope Background Investigation (SSBI)

7.2.2.1.2. National Agency Check, Local Agency Checks and Credit (NACLC)

7.2.2.1.3. Access National Agency Check and Inquiries (ANACI)

7.2.2.1.4. National Agency Check Plus Inquiries (NACI)

7.2.2.1.5. National Agency Check (NAC)

7.2.1.2. The definitions and corresponding codes are located in [Attachment 22, Table A22.1](#).

7.2.1.3. Conduct annual review to determine the accuracy of position coding. The last AF-wide directed review was conducted in May 04. Reviews will be conducted each May. Retain results for review during self inspections, etc.

7.2.1.4. Ensure only necessary investigations are requested to meet mission essential needs.

7.2.1.5. See [Attachment 22](#) for additional guidance.

7.3. Investigative Requirements for Air Force Specialty Codes (AFSCs). HQ USAF/XOS-FI approves requests for adding security clearances or investigations as AFSC prerequisites. Requests are staffed through ISPM channels. AFMAN 36-2105, Officer Classification and AFMAN 36-2108, Enlisted Classification will reflect an SSBI requirement for entry, award, and retention for the respective mandatory AFSCs. See [Attachment 22; Table A22.2, A22.3](#).

7.4. Investigative Requirements for Sensitive Programs. There are several sensitive programs that have been designated as a mandatory SSBI requirement, i.e., Presidential Support, Personnel Reliability Program, etc. See [Attachment 22, Table A22.4](#).

7.5. Investigative Requirements for Air Force Deployments, Operational or Contractual Exigencies. This policy does not apply to SCI. Positions identified for deployments will, as a minimum, be assigned a NACLC, requiring access to Secret information for the in-country threat briefing. SSBI is not authorized for purposes of Top Secret eligibility –just in case of” deployment. In these situations, commanders grant interim Top Secret access for a period of up to 180 days. This can be renewed for extended deployment purposes and for redeployment. Interim Top Secret access is granted for the purpose of deployment based on the existing NACLC, and discontinued upon return to home station. SSBI will not be required for this purpose. Persons must be US citizens and have not had a break in service for more than 24 months. Record of the interim TS is annotated in JPAS or in cases where it is not available, documented and maintained with security related documents. However, SSBI is authorized if a joint or theater deployment requires a final Top Secret security clearance and will not accept interims, i.e., JCS contingencies. These requirements need to be identified and positions coded IAW para [7.2](#). of this instruction.

7.6. Approval Authorities for Additional/New/Upgrade of SSBI. 3-Star/Civilian Equivalent authority is required to approve any additional/new/upgrade SSBI before the servicing Manpower Office codes the positions on the UMD. Approval authorized cannot be delegated. Approval authorities are as follows:

7.6.1. MAJCOMs: CV or NAF/CC

7.6.2. FOAs: parent 2-Ltr or SAF/AA or AF/CVA if the parent 2-Ltr is not at the appropriate grade level

7.6.3. DRUs: AF/CVA.

7.6.4. HQ USAF:

7.6.4.1. Air Staff: AF/CVA

7.6.4.2. Secretariate: SAF/AA.

7.6.5. Commands will establish internal certifying procedures. The approval documentation will be retained by the Manpower Office for three years and is subject to compliance review by HQ AFIA or their designee. Approval will increase MAJCOM funds withhold for personnel security investigations through the FYDP.

7.7. Periodic Reinvestigations. Periodic Reinvestigations will be kept current for incumbents assigned against positions coded as requiring SSBI and NACLC/ANACI. Also see para [A2.7](#).

7.8. Issuing Security Clearance Eligibility. AFCAF issues security clearance eligibility and enters the determination into JPAS.

7.9. The Joint Personnel Adjudication System (JPAS). JPAS is the Department of Defense (DoD) personnel security clearance and access database. It facilitates personnel security

management for the DoD Central Adjudication Facilities (CAF), security managers, and offers both non-SCI and SCI functions. It interfaces with the investigative providers, the personnel systems within the Department thus eliminating manual transactions and expediting the flow of personnel security information to warfighters.

7.9.1 JPAS is the primary source for determining investigative data/status of investigations on individuals in the DoD. JPAS allows communication between the CAFs and its customers. All information in JPAS is unclassified, but must be protected according to the requirements for privacy/sensitive information and For Official Use Only (FOUO) in accordance with AFI 33-332, Air Force Privacy Act Program and DoDR 5400.7/AF Supplement, DoD Freedom of Information Act Program.

7.9.2. JPAS has two applications: The Joint Adjudication Management System (JAMS) and Joint Clearance and Access Verification System (JCAVS)

7.9.2.1. JAMS is for adjudicative personnel only and provides capabilities such as case management/distribution, adjudication decisions, adjudicative history and summary, due process, and future ability for each CAF to electronically access investigative reports from the investigative providers.

7.9.2.1.1. JAMS replaced the Adjudicative Management System (AMS), as used throughout this instruction.

7.9.2.2. JCAVS is for non-SCI and SCI security managers/officers and authorized requesters and provides capabilities such as access indoctrination/debriefing history, incident/issue file reporting, history and management of unit personnel security functions.

7.9.2.2.1. JCAVS replaced Clearance and Access Verification System (CAVS), as used throughout this instruction.

7.9.3. ISPMs determine the number of users and the access levels for each user. Clearance data elements in the JCAVS include the full date and type of investigation and the full date and status of security clearance. The information is invalid when any of these four data elements are incomplete.

7.9.3.1. Use the most current highest level eligibility recorded in the JCAVS when more than one entry appears for an individual.

7.9.3.2. The term —~~DCID~~ ID 6/4 (formerly DCID 1/14)” means the person has been the subject of a SSBI, has been granted a Top Secret security clearance eligibility, is eligible for SCI access if required for mission essential purposes and may already have SCI access. See AFMAN 14-304.

7.9.4. The JCAVS will provide the following information:

7.9.4.1. An individual’s security clearance eligibility level and access level.

7.9.4.2. Visit notification.

7.9.4.3. Suspension notification.

7.9.4.4. SCI indoctrination, nondisclosure statement, and debriefing dates.

7.9.4.5. Establishment of a SIF.

7.9.6. JCAVS User Levels are as follows:

7.9.6.1. Level 2 - SCI security personnel at unified command, DoD agency, military installation or major command/equivalent headquarters. Personnel Security Management (PSM) - Net is determined by the responsible SOIC or designee. (Read and Write Access - SSBI/DCID 6/4 with current SCI Access.)

7.9.6.2. Level 3 - SCI security personnel at echelons subordinate to Level 2 at a particular geographic location (installation, base, post, naval vessel). PSM - Net is determined by the responsible SOIC or designee. (Read and Write Access - SSBI/DCID 6/4 with current SCI Access.)

7.9.6.3. Level 4 - Non-SCI security personnel at unified command, DoD agency, military department or major command/equivalent headquarters. PSM - Net is determined by the responsible Security Officer or designee. (Read and Write Access - NACLAC/ANACI/Secret Eligibility.)

7.9.6.4. Level 5 - Non-SCI security personnel at echelons subordinate to Level 4 at geographic location (installation, base, post, naval vessel). PSM - Net is determined by the responsible Security Officer or designee. (Read and Write Access - NACLAC/ANACI/Secret Eligibility.)

7.9.6.5. Level 6 - Unit Security Manager (additional duty) responsible for security functions as determined by responsible senior security official. (Read and Write Access - NACLAC/ANACI/Secret Eligibility.)

7.9.6.6. Level 7 - Non-SCI Entry Control Personnel. Individuals who grant access to installations, buildings, etc. Varies according to organizations. (Read Access - NACLAC/ANACI/Secret Eligibility.)

7.9.6.7. Level 8 - SCI Entry Control Personnel. Individuals who grant access to SCIF installations, buildings, etc. Varies according to organizations. (Read Access - SSBI/DCID 6/4 Eligibility.)

7.9.6.8. Level 10 - Visitor Management. Level 10 users will have the same view of the JCAVS Personnel Summary as a JCAVS Level 7 User. They will receive Visit Notification when their Security Management Office (SMO) is being notified of a visit. A Level 10 User may **not** be an account manager to create or delete an account at any level. NACLAC/ANACI/Secret Eligibility.

7.11. Granting Access. Commanders grant access to classified information when a mission essential need exists and only when all of the following prerequisites are met: (1) individual has the appropriate security clearance eligibility; (2) individual has signed an SF 312 (see AFI 31-401); and (3) individual has a need-to-know. Authorized base level users will record access in the JCAVS. See [Chapter 3](#) for other situations when access to classified information may be granted.

7.12. Obtaining Information from the AFCAF.

7.12.1. Authorized requesters may contact the AFCAF Customer Support Section through JPAS. In situations where no security clearance data is available at the unit, no information is available in the JCAVS, and the AFCAF has valid security clearance information on file, a record of the call will be used as evidence of valid clearance data pending update of the JCAVS. The authorized requester prepares a memorandum for record (MFR) showing: (1) name, grade, and organization of the individual calling the AFCAF; (2) name, grade, organization, and SSN of the subject; (3) name of person at the AFCAF providing clearance eligibility data, and (4) type and date of investigation and, if granted, level and date of security clearance eligibility. Also see para [6.1](#).

7.12.1.1. The authorized requester forwards a copy of the MFR to the individual's security manager.

7.12.1.2. The authorized requester and the security manager keep the MFR until JCAVS is updated to show the data addressed in the MFR.

8.1.2. Reporting Government Charge Card Abuses and Misuse. Security Officials, AFOSI, or AF Government Charge Card program coordinators are required to immediately report Government Charge Card abuses and misuses to the appropriate commander. This information constitutes serious questions as to the individual's ability or intent to protect classified information or execute sensitive duties. The commander will make an immediate determination to either leave the individual's security status unchanged or suspend their access to classified information or assignment to sensitive duties until the appropriate authority makes a final determination regarding the individual's eligibility to retain a security clearance. In addition, commanders may take action in accordance with [Chapter 8](#), to determine if a SIF should be established and/or the person's access to classified information should be suspended.

8.1.3. Implementation of Restrictions on the Granting or Renewal of Security Clearances as Mandated by the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 – Smith Amendment. [Attachment 24](#) outlines the instructions.

8.9.3. For SIOP-ESI access. Refer to AFI 10-1102, Safeguarding the Single Integrated Operational Plan (SIOP).

SMITH AMENDMENT

A24.1. Implementation of the Section 1071 of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001, which amended Title 10, United States Code, to add a new section that precludes the initial granting or renewal of a security clearance by the DoD under four specific circumstances as outlined below.

A24.1.1. Provision (1) disqualifies persons with convictions in both State and Federal courts, including UCMJ offenses, with sentences imposed of more than one year, regardless of the amount of time actually served

A24.1.2. Provision (2) does not change the substance of the existing adjudication guideline relative to current drug involvement. Anyone who is currently an unlawful user of, or addicted to, a controlled substance.

A24.1.3. Provision (3) does not change the substance of the adjudication guidelines for emotional, mental, or personality disorders. Anyone who is found to be mentally incompetent (incapable of safeguarding classified information) by a credentialed mental health professional approved by DoD.

A24.1.4. Provision (4) disqualifies persons who have been discharged or dismissed from the Armed Forces under dishonorable conditions.

A24.2. Secretary of the Air Force may authorize a waiver in meritorious cases under provisions (1) & (4). Waiver authority is not delegable.

A24.3. Provision (2) & (3) disqualifies a person for eligibility for a security clearance and may not be waived.

A24.4. Individuals that fall under the categories (1) through (4) will be afforded applicable due process and appeal opportunity IAW the DoD 5200.2-R, Personnel Security Program and this instruction.

A24.5. When AFCAF issues a final statement of reasons to deny or revoke a security clearance in cases where a waiver is allowed (provisions 1 and 4) the subject will be informed of the

waiver provision, provided a copy of the statute and other information on how to respond. The subject must include in the response to the statement of reasons if they want to be considered for a waiver, if applicable.

A24.6. Decision process for determining whether a particular case warrants a meritorious waiver:

A24.6.1. The AFCAF is the first level nominating office and determines if the case warrants a meritorious waiver under the provisions of the statute. If approved, the case is forwarded with the proposed request for waiver and full justification to the Air Force Personnel Security Appeal Board (PSAB) for review.

A24.6.2. If the PSAB determines the case has meritorious justification, the case summary is returned to the AFCAF for forwarding to SAF/AA.

A24.6.2.1. SAF/AA may disapprove the waiver request or forward it to the SECAF with recommendation for approval. Both the SAF/AA and SECAF decisions are final.

A24.7. AFCAF will provide quarterly summaries to SAF/AA by the 10th of each month following the end of each calendar quarter of all waivers submitted to SECAF. SAF/AA provides report to USD/I by the 15th.

A24.8. The statute policy applies to:

A24.8.1. All initial determinations to grant security clearance eligibility or access and determinations to continue clearance eligibility/accesses following a reinvestigation;

A24.8.2. Existing clearances eligibility or access which a previous or other investigation reveals a previous favorably resolved issue involving one or more of the four statutory provisions, regardless of the presence or absence of subsequent disqualifying issues;

A24.8.3. Previous and follow-on periodic reinvestigations and other investigations initiated for other reasons; such as:

A24.8.3.1. Security Information File, Special Investigation Inquiry, etc., and all pending cases in which a final decision had not been issued as of 7 Jun 01.

A24.9. The statute policies do not apply to:

A24.9.1. Conversions/transfers/reinstatements of current DoD security clearances, including transfers of clearances of employees within the DoD, clearances of employees who fall under the National Industrial Security Program, and transfers of clearances to the DoD of employees coming from other Federal agencies.
